SHOOTER'S RESPONSIBILITY ENTRY AND SHOOTING PROCEDURE

- 1) Take your average card to the classification desk. Do not attempt to make your program entries before doing so.
- 2) **BE SURE YOUR AVERAGE CARD IS UP TO DATE.** Be sure your classification and handicap yardage are marked plainly by a member of the handicap committee before you leave the table. It is your responsibility to know the rules. You are subject to penalties for shooting in the wrong classification or at the wrong yardage even if your card is so marked.
- 3) It is the responsibility of category shooters to see that they are so marked at the time they are classified/handicapped. If your special category does not appear on the bulletin sheet, report the omission at the cashier's office.
- 4) The use of paper entry cards has been eliminated. Please be sure to have your ATA plastic card when you are at the entry windows. You will not be able to enter any events without your plastic card.
- 5) If you draw squad positions that will not be used for an event, please see squadding personnel or use the self-service terminals to release your position. Releasing your position allows us to fill holes in open squads, making this tournament more enjoyable for all shooters. **A shooter may not draw more than one (1) position per event.**
- 6) You will directly input your entries, including options, at the cashier windows using a touch screen system. Upon paying your entry fees, you will be supplied with a receipt showing your squad, and position along with your class/yardage, options and applicable categories for each event entered. Once you leave the cashier window, your entry cannot be changed for options or squadding.
- 7) Squadding will be restricted to a maximum of 2 yards on a squad.
- 8) The cashier will accept no counter checks or secondary party checks and the only type of cash or check accepted will be U.S. funds. Checks will be accepted for the amount of shooting fees only - No Exceptions.
- 9) All entries are final. No additions or withdrawals permitted on purses and options. **NO ENTRIES REFUNDED UNLESS EVENT IS CANCELLED.** Classification and Squadding/Cashiering will open Sunday, January 22nd, 12:30 PM to 4:00 PM. Open Monday through Saturday, 8:00 AM to 4:00 PM and Sunday, 8:00 AM to Noon.

RULES AND REGULATIONS

- 1) Should you win or tie for high in a class in any 16 yard or doubles event or earn yardage in any handicap event, it shall be your responsibility to report to the handicap desk and have your yardage increased or classification reviewed. In Events #7 and #11, all shooters (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event. Any shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin board.
- 2) Any shooter failing to carry out rule 1 above or who shoots in an incorrect class or from a yardage higher or lower than that assigned by the handicap committee will be subject to disqualification and will not be eligible to share in any money division or be eligible for trophies.

CATEGORY SHOOTERS

At all tournaments where All American points will be awarded in any event, shooters may declare only one special category Note: Chair shooters are exempt from this rule.

Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter must fall back to the declared category.

Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group.

Any special category shooter, whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies.

Once any declarations have been made either by shooter or shoot management, the declaration is final and can not be changed. There shall be no exception to this rule.

- 3) All Lady I, Lady II, Sub-Juniors, Juniors, Junior Golds, Sub-Vets, Veterans, and Senior-Vets must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. **Without such declaration, the contestant will not be allowed to compete for the applicable category trophy.** No contestant will be allowed to declare or change a special declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. Failure to declare your classification does not constitute an ATA classification error. Please check your classification receipt before leaving the classification table.

RULES AND REGULATIONS CONTINUED

- 4) Each shooter who is entitled to receive money won during any event agrees that if such money is not received by him during the period of this tournament, a check in payment for the money won may be mailed to him at the address indicated by ATA records, and when so mailed, the club will not be liable in any manner whatsoever for any check lost, stolen, unclaimed or otherwise not received by the shooter.
- 5) Management will not be responsible for errors in scores after the options have been posted. Shooters should use the electronic bulletin board and the score board to check their scores to notify shoot management immediately if a discrepancy is noticed. **SCORES BECOME FINAL 1 HOUR AFTER THE CONCLUSION OF THE EVENT.**
- 6) Shooters who do not have a total of 1000 16-yard targets registered with the ATA in the current and previous year will be advanced at least one class or more at their discretion of the classification committee. Shooters without an established average shall be placed in class B or higher at the discretion of the classification committee.
- 7) Shooters who do not have a total of 1000 Doubles targets registered with the ATA in the current and previous year will be advanced at least one class at the discretion of the classification committee. Shooters without an established average shall be placed in class B or higher at the discretion of the classification committee.
- 8) Shooters who do not have a total of 1000 Handicap targets registered with the ATA in the current and previous year will be assigned to the 23 yard line or the regular handicap yardage, whichever is greater. Handicap target requirements will be waived for declared Senior-Vets, making them eligible for trophies and monies. Any participant who fails to meet the minimum handicap target requirements as described will be allowed the choice of shooting "Targets Only" from their assigned yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and HAA trophies.
- 9) All targets shot on Monday, January 23 and Tuesday, January 24 may be applied toward above target requirements. If target requirement is met, you must immediately return to the Handicap Desk and be re-classified. If requirements are not met, you will remain shooting assigned yardage and/or assigned classification. No targets will be credited for target minimums starting on Wednesday, January 25.
- 10) In an effort to avoid unused positions, it is imperative that you either cashier or release all positions that you have squadded for prior to the event. **Presquad positions will be held for all events each day until 30 minutes prior to the start of the first event of that day. After that time, management reserves the right to open positions for that day.** You may call the office at 813-920-3231 if you can not make it to the club in time and have your position released.

DIXIE GRAND PRE-SQUADDING RULES

1. Request forms received before or including January 1, 2017 will be given equal priority and drawn at random. All request forms received after this date will be processed by received date. No request forms will be accepted after January 20, 2017.
2. The non-refundable service charge of \$2.00 per position, per event, must be included with your request form.
3. The use of paper entry cards has been eliminated. Please be sure to have your ATA plastic card the you are at the entry windows. You will not be able to enter any events without your plastic card.
4. If you draw squad positions that will not be used for an event, please see squadding personnel or use the self-service terminals to release your position. Releasing your position allows us to fill holes in open squads, making this tournament more enjoyable for all shooters. **A shooter may not draw more than one (1) position per event.**
5. You will directly input your entries, including options, at the cashier windows using a touch screen system. Upon paying your entry fees, you will be supplied with a receipt showing your squad, and position along with your class yardage, options and applicable categories for each event entered. Once you leave the cashier window, your entry cannot be changed for options or squadding.
6. In an effort to avoid unused positions, it is imperative that you either cashier or release all positions that you have squadded for prior to the event. *Presquad positions will be held for all events each day until 30 minutes prior to the start of the first event of that day. After that time, management reserves the right to open positions for that day.* You may call the office at 813-920-3231 if you can not make it to the club in time and have your position released.
7. There will be a drawing make by the management for bank assignments for each day. These bank assignments will be posted the night before at the club houses and around the trap line. If you sign up after the bank assignments have been posted, you must take a position on the first available squad. There will be no exception to this rule.
8. **A shooter may only draw one position per event.** Any shooters wishing to squad together must fill out only one application indicating the shooters full name, ATA number, and handicap yardage on the line indicating which position that shooters wishes to shoot. Applications for full or partial squads that do not have each shooter's information completely and properly filled out will not be honored. **Multiple applications for any individual will be discarded and will not be refunded. The first application encountered will be processed only.**
9. **Squadding will be restricted to a maximum of 2 yards on a squad.**
10. The following events have limits to the number of squads available. Event #7 and #8 are limited to 108 squads, Event #9 is limited to 96 squads, and Event #14, Championship Singles, is limited to 150 squads. Once these limits have been reached, all further request for these events will not be honored. Any request not honored for these events only will be refunded.
11. Telephone requests will not be honored.
12. Pre-Squad only available at www.rjstuart.com
