# RULES AND REGULATIONS

- 1) Should you win or tie for high in class in any 16 yard or doubles event, you will automatically be advanced at least one class. Should you earn yardage in any handicap event it shall be your duty to report to the classification room and have your yardage increased. In all events that include class advances, all shooters (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event. Any shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin sheet.
- 2) Any shooter failing to carry out rule one, or who shoots in a class or from a yardage higher or lower than that assigned by the classification committee will be subject to penalty and will not be eligible to share in any money division or be eligible for trophies.

## CATEGORY SHOOTERS

- 3) At all tournaments where All American points will be awarded in any event, shooters may declare only one category (i.e. Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub Veteran, Veteran, Sr. Veteran) Note: Chair shooters are exempt from this rule.
  - Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship shoot-off/carry-over and has declared a special category at the time of classification, the shooter can fall back to the declared category.
  - Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category will compete for the category trophy and not for place, class, or yardage group.
  - Any special category shooter, whose score does not qualify for a trophy in his/her category, may compete for place, class, or yardage group trophies.
  - Once any declarations have been made either by shooter or shoot management, the declaration is final and cannot be changed. There shall be no exception to this rule.
  - All Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub Veteran, Veteran, Sr. Veteran shooters must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy for the duration of the tournament. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. There will be no exceptions to this rule.
- 4) Each shooter who is entitled to receive money won during any event agrees that if such money is not received by him during the period of this tournament, a check in payment for the money won may be mailed to him at the address indicated by ATA records. And, when so mailed the Club will not be liable in any manner whatsoever for any check lost, stolen or otherwise not received by the shooter. **NO ENTRIES REFUNDED UNLESS EVENT IS CANCELLED.**
- 5) Shooters who do not have a total of at least 1,000 16-yard targets on their average card for the current and previous two years shall be placed in class A or higher at the discretion of the handicap committee.
- 6) Shooters who do not have a total of at least 500 Doubles targets on their average card for the current and previous two years shall be placed in class A or higher at the discretion of the handicap committee.
- 7) Assigned yardage applies during this tournament. Shooters who do not have a total of 1000 Handicap targets registered with the ATA in the current and previous year will be assigned to the 23 yard line or their regular handicap yardage, whichever is greater. Handicap target requirements will be waived for declared Senior-Vets, making them eligible for trophies and monies. Known ability may also be applied by the handicap committee. All target requirements must be met before the start of events on May 10th, the first day of the tournament. Shooters who fail to meet the minimum handicap target requirements as described above may shoot "Targets only" from their assigned ATA yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and HAA trophies.

## ANNOUNCEMENT

This program will absolutely govern the Tournament. The Amateur Trapshooting Association Rules will govern all points not otherwise provided for. The Executive Committee reserves the absolute right in its sound discretion, at any time prior to or during this tournament to change or modify this program in any manner it desires.

## SHOOT-OFFS

Contestants will receive three calls for shoot-offs. Anyone who does not answer a call for shoot-offs will forfeit their right to any prize or trophy.

## FORD PURSE

There are five individual purses, one of \$1 for each of four sub-events (events of 25 targets) plus one of \$1 on the total score on 100 targets. To determine the winner of a ford purse consider all the high scores on the first sub-event to be in a tie for the first purse; then these same shooters decide the winner on subsequent sub-events exactly as in a shoot-off. Ties will be decided by reverse score by sub-event, if necessary, for the second and third purses, and completely by reverse score by sub-event on the fourth purse. The fifth purse or total will be won by the high score, ties divide.

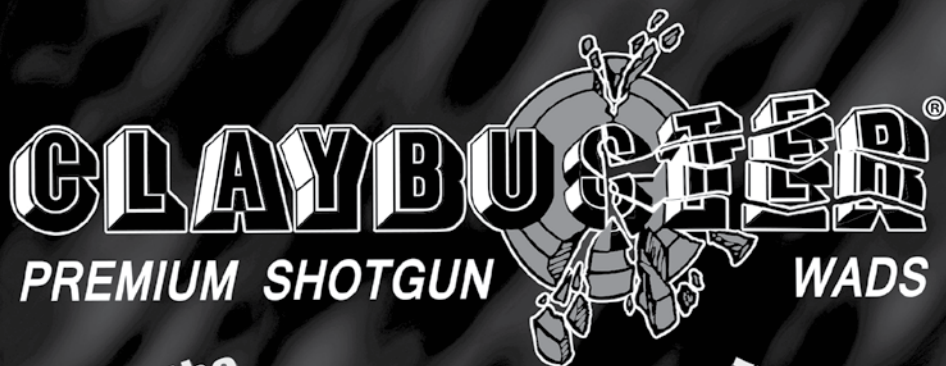

The maximum amount a shooter may win is the value of two purses: one from winnings on score in the sub-event plus one from winnings on the total score.

## GENERAL INFORMATION

Shooters must check in with squad hustlers prior to shooting. Missed Squad Penalty: Any shooter missing his/her squad and desiring to re-enter the event shall pay a \$10.00 penalty. Make-ups: A maximum of 50 targets can be made up per event. If you miss your squad for more than 50 targets, you must be re-squadded. Shooters must come to the information window to get make-up sheets. Then proceed to the make-up area as directed. No shooter will be called to the line. The squad will start after waiting one minute.

It is the shooter's responsibility to check the bulletin sheets to make sure his/her options, scores and totals are posted correctly before leaving the grounds. Also, one is required to make sure all sub-events are posted accurately for totals and sequence. If errors are found it is their responsibility to notify scoreboard personnel at once. The cashier will wait 20 minutes after the last bulletin sheet is posted to figure the options. Once options are calculated there will be no changes unless the cashier has made an error in his tabulations.

## PRE-SQUADDING INSTRUCTIONS FOR THE EMPIRE GRAND AMERICAN

**Again for 2017, PRESQUAD.COM** will be used along with the usual way of pre-squadding for those who do not have a computer. Paying by **credit card or PayPal** will be used to pay the fees due for pre-squadding. Check may be sent to the address below. **The deadline is May 6, 2017.**

The non-refundable service charge of \$2.00 per position, per event, must be included with each request form or received by mail within 14 days of making the pre-squad on PRE-SQUAD.COM. Multiply the number of positions selected by \$2.00. Anytime after 8:00 AM Wednesday morning, you may pick up a receipt showing your squads and position for this shoot.

A shooter may only draw one position per event. Any shooters wishing to squad together must fill out only one application indicating the shooter's full name, ATA number, and Handicap yardage on the line indicating the position that shooter wishes to reserve. Please use duplicate forms if you are squadding different shooters for some events (ex. If you are shooting with one group for Singles and other people for Handicap, use one form for Singles and another for Handicap)

Chair shooters should identify with a note attached to the form indicating name, ATA number and position(s) requested for the chair shooter(s).

Applications for full or partial squads that do not have the required information will not be processed. A shooter wishing to switch positions with another shooter must have both ATA numbers and present them to a point of sale cashier. SHOOTERS DESIRING TO CHANGE SQUADS AND/OR POSITIONS IN AN EVENT MUST RELINQUISH THE POSITION THEY ARE HOLDING BEFORE BEING ELIGIBLE TO REQUEST A NEW POSITION.

All presquad positions for all events each day shall be honored and held until 30 minutes prior to the start of the first event of that day.

All applications shall include the proper form(s) and a check in the appropriate amount made payable to NYSATA.

All Singles and Handicap events will be shot on a modified 25 program, taking 50 shells to the firing line; 50 targets per trap, two traps per bank. Wednesday 8 banks will be available, and Thursday thru Sunday all 12 banks will be used.

All Doubles events will be shot 100 targets per trap. Total traps will be adjusted daily, using a maximum of 12 traps.

Send completed forms along with your check to:
