Welcome Shooters,

I would like to take this opportunity to invite you to the 33rd Northeastern Satellite Grand. The NYSATA Homegrounds in Cicero, NY will be hosting this event September 11 thru September 16, 2018.

While I have never visited this facility, I have been told it is not only a beautiful facility, but an extremely well run shoot. This should be a wonderful time to visit the Northeast and enjoy a great shooting opportunity and mild fall weather.

Take this occasion to start the new target year with a competition that offers a full package of ATA trophies and All-American points.

Good Luck!

SHOOTER'S RESPONSIBILITY ENTRY AND SHOOTING PROCEDURE

HAVE YOUR ATA PLASTIC CARD READY FOR ALL PROCEDURES

- 1) Take your ATA card to the classification table immediately upon arrival. Do not attempt to make your program entries before doing so.
- 2) Be sure to check your classification receipt to see that your class, handicap yardage and special category are properly indicated. It is your responsibility to know the rules. You are subject to disqualification for shooting from the wrong yardage or in an improper class - even if your receipt is so marked.
- 3) All Junior and Sub Juniors, regardless of residence may shoot for \$16.00 per 100 targets, provided no money or options are played. NYS Law requires all Sub JR shooters to be a minimum of 12 years old.
- 4) Get your entry cards and take them to the cashier window.
- 5) Do not draw entry cards and hold them until shortly before an event begins. Your cooperation will save time and make things more pleasant for all.
- 6) No counter checks or second party checks will be accepted by the cashier. Checks will be accepted for the amount of shooting fees only - No Exceptions. All entries must be made in U.S. funds. No Canadian checks will be accepted.
- 7) All entries are final. No additions or withdrawals permitted on purse or options.

NOTICES

SOLICITING- No soliciting, selling chances or similar activities will be allowed on the grounds, nor shall any literature of any kind be distributed on the grounds without prior written approval of the ATA and Club.

SHELLS- A large supply of shells in standard loads will be for sale on the grounds at current standard prices.

BANKS- Banks are not rotated. Squad 1 will start on Bank 1. Each bank will have a limited number of squads assigned to it. When a bank is full, it is FULL. Additional squads will only be opened by shoot management, when it is determined that available squads have been filled. Shooters who prefer a specific bank, squad, or shooting time are urged to presquad using Presquad.com or the entry sheet in the back of the program. All available squads for each bank will be opened for each event. Presquad early for the best selection. All presquad reservations will be honored and held for all events each day until 30 minutes prior to the start of the first event of that day. Additional squads will be reserved on Bank #4 for our chair shooters. These will be posted on our website with reservation instructions.

There will be a \$10.00 re-squadding fee for all who re-squad after the bank assignments have been posted for the day.

Targets shall be reset only after a member of the shoot committee or the target setting committee has come to the trap to review the targets.

PLEASE NOTE- If you wish to save your empties, please transfer them from your gun to your pouch. Picking up hulls from the ground is a nuisance to the other shooters and will not be tolerated at any time.

CAMPING

A limited amount of RV/Camper hook-ups with electric and water are available for \$120.00 for the entire tournament. There will be a \$10.00 grounds fee, maximum \$30.00 for those not utilizing hook-ups. Contact for reservations for campers and vendors:

Ken Davis: 7307 Griswold Rd. Bergen, NY 14416 / (585) 738-4612 / papa1@frontiernet.net

All dogs MUST be leashed and under control of an adult at all times. This rule will be strictly enforced. Also, anyone parking in a designated "No Parking" area will be towed and be required to pay the \$50.00 tow charge.

ATV & GOLF CART USAGE

A golf cart, ATV, or similar vehicle may not be used on NYSATA grounds or at the Bridgeport Gun Club while a NYSATA event is being held, unless it has been registered with the NYSATA. A sticker can be obtained at the Classification Office upon showing proof of insurance. The registration sticker will be valid for all shoots in the year, as long as insurance remains in effect.

RULES AND REGULATIONS

- 1) Should you win or tie for high in class in any 16 yard or doubles event, you will automatically be advanced at least one class. Should you earn yardage in any handicap event it shall be your duty to report to the classification room and have your yardage increased. In all events that include class advances, all shooters (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event. Any shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin sheet.
- 2) Any shooter failing to carry out rule one, or who shoots in a class or from a yardage higher or lower than that assigned by the classification committee will be subject to penalty and will not be eligible to share in any money division or be eligible for trophies.

CATEGORY SHOOTERS

- 3) At all tournaments where All American points will be awarded in any event, shooters may declare only one category (i.e. Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub Veteran, Veteran, Sr. Veteran) Note: Chair shooters are exempt from this rule.
 - Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship shoot-off/carry-over and has declared a special category at the time of classification, the shooter must fall back to the declared category.
 - Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category will compete for the category trophy and not for place, class, or yardage group.
 - Any special category shooter, whose score does not qualify for a trophy in his/her category, may compete for place, class, or yardage group trophies.
 - Once any declarations have been made either by shooter or shoot management, the declaration is final and cannot be changed. There shall be no exception to this rule.
 - All Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub Veteran, Veteran, Sr. Veteran shooters must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy for the duration of the tournament. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. There will be no exceptions to this rule.
- 4) Each shooter who is entitled to receive money won during any event agrees that if such money is not received by him during the period of this tournament, a check in payment for the money won may be mailed to him at the address indicated by ATA records. And, when so mailed the Club will not be liable in any manner whatsoever for any check lost, stolen or otherwise not received by the shooter. NO ENTRIES REFUNDED UNLESS EVENT IS CANCELLED.
- 5) Shooters who do not have a total of at least 1,000 16-yard targets on their average card for the current and previous two years shall be placed in class A or higher at the discretion of the handicap committee.
- 6) Shooters who do not have a total of at least 500 Doubles targets on their average card for the current and previous two years shall be placed in class A or higher at the discretion of the handicap committee.
- 7) Assigned yardage applies during this tournament. Shooters who do not have a total of 1000 Handicap targets registered with the ATA in the current and previous year will be assigned to the 23 yard line or their regular handicap yardage, whichever is greater. Handicap target requirements will be waived for declared Senior-Vets, making them eligible for trophies and monies. Known ability may also be applied by the handicap committee. All target requirements must be met before the start of events on September 11, the first day of the tournament. Shooters who fail to meet the minimum handicap target requirements as described above may shoot "Targets only" from their assigned ATA yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and HAA trophies.

CLASSIFICATION

Shooters are required to have both their 16 yard and doubles averages up to date for use by the classification committee. No shooters will be allowed to shoot for targets only with the exception of Senior Veterans.

	Singles	Doubles
AAA	98% and above	96% and above
AA	96.25% and under 98%	92% and under 96%
A	94.75 % and under 96.25%	89% and under 92%
B	93% and under 94.75%	86% and under 89%
C	90% and under 93%	82% and under 86%
D	under 90%	under 82%

ANNOUNCEMENT

This program will absolutely govern the Tournament. The Amateur Trapshooting Association Rules will govern all points not otherwise provided for. The Executive Committee reserves the absolute right in its sound discretion, at any time prior to or during this tournament to change or modify this program in any manner it desires.

SHOOT-OFFS

Contestants will receive three calls for shoot-offs. Anyone who does not answer a call for shoot-offs will forfeit their right to any prize or trophy.

FORD PURSE

There are five individual purses, one of \$1 for each of four sub-events (events of 25 targets) plus one of \$1 on the total score on 100 targets. To determine the winner of a ford purse consider all the high scores on the first sub-event to be in a tie for the first purse; then these same shooters decide the winner on subsequent sub-events exactly as in a shoot-off. Ties will be decided by reverse score by sub-event, if necessary, for the second and third purses, and completely by reverse score by sub-event on the fourth purse. The fifth purse or total will be won by the high score, ties divide.

The maximum amount a shooter may win is the value of two purses: one from winnings on score in the sub-event plus one from winnings on the total score.

GENERAL INFORMATION

Shooters must check in with the squad hustlers prior to shooting, and any shooter not on the firing line when his or her squad is ready to shoot will be scratched and must report to classification for re-squadding. **No one will be called to the line. Squad will wait one minute before starting.**

Make-Ups: A maximum of 50 targets can be made up per event. If you miss your squad for more than 50 targets, you must be re-squadded. Shooters needing a make-up will report to the practice trap immediately and check in with the attendant.

It is the shooter's responsibility to check the bulletin sheets to make sure his/her options, scores and totals are posted correctly before leaving the grounds. Also, one is required to make sure all sub-events are posted accurately for totals and sequence. If errors are found it is their responsibility to notify scoreboard personnel at once. The cashier will wait 20 minutes after the last bulletin sheet is posted to figure the options. Once options are calculated there will be no changes unless the cashier has made an error in his tabulations.

NOTICE

Shoot management reserves the right to modify entry fees as required to reflect changing markets and instability of target pricing.

PRE-SQUADDING INSTRUCTIONS FOR THE NORTHEASTERN GRAND AMERICAN

Again for 2018 PRE-SQUAD.COM will be used along with the usual way of pre-squadding for those who do not have a computer. Paying by credit card or PayPal will be used to pay the fees due for pre-squadding. Check may be sent to the address below. The deadline is September 8, 2018.

The non-refundable service charge of \$2.00 per position, per event, must be included with each request form or received by mail within 14 days of making the pre-squad on PRE-SQUAD.COM. Multiply the number of positions selected by \$2.00. Anytime after 9:00 AM Tuesday morning, you may pickup a receipt showing your squads and position for this shoot. All presquad.com reservations will be honored and held for all events each day until 30 minutes prior to the start of the first event that day.

A shooter may only draw one position per event. Any shooters wishing to squad together must fill out only one application indicating the shooter's full name, ATA number, and handicap yardage on the line indicating the position that shooter wishes to reserve. Please use duplicate forms if you are squadding different shooters for some events (ex. If you are shooting with one group for singles and other people for handicap, use one form for singles and another for handicap).

Chair shooters should identify with a note attached to the form indicating name, ATA number and position(s) requested for the chair shooter(s).

Applications for full or partial squads that do not have the required information will not be processed. A shooter wishing to switch positions with another shooter must have both ATA numbers and present them to a point of sale cashier. SHOOTERS DESIRING TO CHANGE SQUADS AND/OR POSITIONS IN AN EVENT MUST RELINQUISH THE POSITION THEY ARE HOLDING BEFORE BEING ELIGIBLE TO REQUEST A NEW POSITION.

All applications shall include the proper form(s) and a check in the appropriate amount made payable to NYSATA.

All singles and handicap events will be shot on a modified 25 program, taking 50 shells to the firing line; 50 targets per trap, two traps per bank. Total banks will be adjusted daily, using a maximum of 12 banks.

All doubles events will be shot 100 targets per trap. Total traps will be adjusted daily, using a maximum of 12 traps.

Send completed forms along with your check to:
