North Carolina State Trapshoot!**

Billy & Susan Thigpen

Dear Shooters,

The NCTA BOD, the NCTHOF BOD, and I wish to invite you to join us for the 104th annual North Carolina State Trap Shoot. It will be held on June 7-11, 2017 at the N.C. Home Grounds in Bostic, N.C.

We wish to thank all our advertisers in our State Shoot Program. You are in no small way, important to the success of our association. Others have given time, money, and/or material goods to help insure the continued growth of trap shooting on both the state and local level. Thanks goes out to all that load traps, score, cashier, classify, run the computer, prepare the meals and run the shoots all across the great state of N.C. You are all so vital to a successful trap program in the state. We cannot thank you enough.

This year we will have miss-and-out on Thursday night after the shoot offs with a \$10.00 buy in and \$5.00 buy backs with a maximum of three. The last shooter standing will receive a flat of shells and 40% of the proceeds. The remaining 60% will go to support our youth shooting program in N.C. This event is being sponsored by Bob Schultz. We will also have a free Hot Dog Supper on Thursday night sponsored by the NCTHOF. On Saturday night after the shoot offs we will have a complimentary Shooter Appreciation Dinner catered by Forest City Fish Camp.

We will have a NC Club Team Championship which will run concurrently with Singles Championship on Saturday. The Club Team Championship is open to all NC shooters, but you must sign up and designate which active club you are shooting for. Clubs may have more than 5 shooters, but only the top 5 will count. Ties will be resolved by using reverse score by subevent. The Captain (high score) on the winning team will receive a leather shooting bag which was donated by SC shooter Ron Burdick. Each member on the winning team will also receive 4 boxes of Federal Gold Medal shells.

We will also have a NC/SC team challenge with the winning team receiving a travel Championship Trophy. The winning team will keep the trophy until the next NC State Shoot. All NC and SC shooters are eligible. Teams will be determined by using the 5 top HAA shooters from each state.

We will be using 15 Pat traps, ERAD voice releases, and orange dome White Flyer targets. A 50/50 bank system on adjoining fields will be utilized. Our target setters are unchanged and we will offer the best targets possible within the rules. Bank assignments will be determined by the roll of the dice prior to each event and the first two flights will be posted on the squad board. If you are not on the first two flights, I suggest you check with myself or the person running the squad board to make sure of your bank assignment.

With over \$10,000 dollars in cash and trophies available, there should be something for everyone. In addition to traditional trophies for category winners, we will be awarding one ounce copper coins to all runner up and third place category winners. After carry overs and/or shoot offs have determined category champs, any ties for runner up and third will be resolved by using reverse scores by subevent. These coins will allow us to award the maximum number of All American points to category shooters. We will award over 250 traditional trophies and over 370 coins during the shoot. Check the program carefully for added options and open, resident and non-resident trophies. North Carolina sub-juniors and juniors who have met target requirements may shoot championship events FREE. However they must pay the \$6.00 daily fee.

The State Aim Championships will be the same as last year. It will be shot in conjunction with the State singles, handicap and doubles championship. The SCTP Team Championship will be shot in conjunction with the championship singles on Saturday. All NC shooters up to age 23 are eligible. Please encourage any young shooters you know to participate. Questions may be addressed to Jeff Allen at 336-403-7257.

Looking forward to seeing you,
Marty Hill
NCTA President
