We continue to appreciate the tremendous turnout by our shooter friends at all of our events during the year. We work very hard to assure that the shooters that attend our events enjoy all aspects of their shooting experience. We will continue to focus on making our shoots the best in Northern Michigan. Please plan to come to our events, bring your friends, and enjoy the hospitality of the North Woods.

I would like to personally thank everyone that has stepped in to help me this year, with the passing of my father; and mother being ill, it has been extremely hard. Thank you all for understanding.

Cecil
