A Message from ATA Executive Vice President Jim Jones

Fellow Trapshooters:

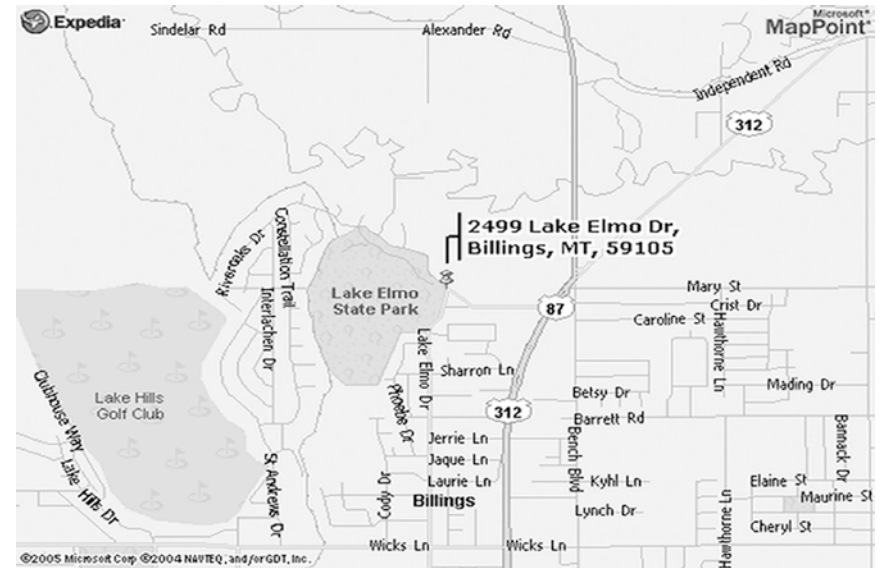

I would like to welcome you to the 123rd annual Montana State Trapshooting Tournament. The ATA is still working to improve the Gun Club Log In system to allow gun clubs to send out E-mail programs and information. If your club has not utilized this resource and you need information on this program see me at this shoot and I will help you with the implementation.

The AIM program will again be awarding fifteen \$2,500.00 scholarships. The ATA web site has the information to apply. The Billings Trap Club and its dedicated members have done an excellent job of preparing their club not only for this shoot, but for future shoots. Enjoy their wonderful club and thank them for their efforts.

Jim Jones

MSTA Standard Procedures

Membership

Individuals who are legal residents of the State of Montana for a minimum of six months who compete in one or more registered trap shoots in the state of Montana each year shall automatically become members of the M.S.T.A. after paying the annual fee established by the board.

Resident

He or She must have met the legal and Amateur Trapshooting Association requirements for Citizenship in the State of Montana. He may not have participated in the state shoot in any other state, representing himself as a resident of that state and eligible for state shooting titles of that state, within the calendar year last preceding the Montana State Trapshooting Association's last state trap shoot. If he is desirous of transferring his membership from any other state to Montana and becoming a member of this association, He shall inform the MSTA of his intentions at least six months prior to any Montana State shoot to be eligible to participate in same. A shooter without a permanent Amateur Trapshooting Association card shall be required to qualify his residency with the Montana State Trapshooting Association delegate or the handicap committee.

Penalty Yardage and Classification

The handicap committee must assign a MINIMUM of 24 Yards and Class A Singles and Class A Doubles to any shooter that does not have at least 1500 registered prior to the State Shoot. Shooters will be classified on the basis of their current and previous two years combined. The targets must be registered prior to the State Shoot. Shooters will be classified on the basis of their current and previous two years averages and known ability. In all cases known ability will have a strong bearing on classification. A shooter belonging to another shooting association will be required to shoot from his or her longest yardage. In 1999 the board of directors gave the Handicap committee the option to put Sub-Juniors anywhere from 24 to 20 yards at their discretion. In 2000 the board added "The Shooter must have 500 doubles in the current and previous year combined or shoot class "A" doubles." In 2002 the board added "A shooter who has registered targets only in the current target year must have 500 singles to establish class and 500 handicap to shoot their ATA assigned yardage prior to the state shoot." In 2007 the board change all the above to read **The handicap committee must assign a minimum of 24 yards and class A singles and class A doubles to any shooter that does not have 500 singles, 500 handicap and 500 doubles in the current and previous year combined.**

Class Winners

Beginning with Thursdays Class Doubles, the winner of any Class Event advances to the next highest class for the remainder of the shoot. The shooter must advise the cashier of such changes for options and purse calculations. Clarified by directors @ 1995 meeting to High in state and High out of state shooter by class in Class Singles and Class Doubles Events. This rule reworded in 2000 to "winners and ties in state and out of state advance a class." At the 1997 board of directors meeting the board voted to award pins to the class winners in the state class doubles and state class singles winners. At the 1999 board meeting the board voted to award the above pins to the class winners in the state doubles on Friday and the state singles event 200 birds on Saturday and Sunday.

Yardage Winners

Any shooter, that earns yardage, in any handicap event, must shoot the next event from his or her new yardage or forfeit any and all prizes. The shooter is responsible to have his or her card punched and advises the cashier of yardage changes for options and purse calculations.

All-State Team

Shooters must have at least 1500 Singles, 1500 Handicap, and 1000 Doubles to qualify. The same applies to Veterans, Ladies, Juniors, Sr. Vet, and Sub Jr. If a category shooter makes the All-State Team they must vacate the special category award allowing the next high shooter in the special category to move up. In the event no one in a special category qualifies, with the required targets, a winner will be chosen based on a combined average of singles and handicap targets. The number of targets registered will also have a strong bearing on the selection. The above targets requirements were revised by the board at the 1998 directors meeting. Sr. Vet and Sub Jr. were added at the July 2001 directors meeting. In 2005 Women Team of top Five with 1200 singles, 1200 Handicap, 500 doubles. High combined avg. will be captain if she qualifies for the all-state team the next highest Lady will be captain In 2006 the requirements to shoot the championship event at the State Shoot was added. In 2007 voted on again and passed. In 2009 the directors voted to change the Ladies category back to its original format with only the high Lady receiving a pin.

Hi Average Awards

To qualify for a Montana State Hi Average Award a shooter must have either 1500 Singles or 1500 Handicap or 1000 Doubles. To qualify for the Over All Award, shooters must have at least 1500 Singles, 1500 Handicap, and 1000 Doubles.

Champion of Champion Event

Will be shot on the first half of the State Singles Championship (Event 10). Open only to Montana shooters who are members of paid up M.S.T.A member clubs. Each club selects their Champion who is then eligible to compete. Each club champion must pay a \$1 entry fee and place his or her name on the list provided. There will be a trophy and \$50 awarded to the winner. Ties shoot-off for both trophy and money. Shoot-offs are carried over to 2nd half of Singles Championship (Event 13) Via 25's. If a tie exists reverse score on 25's will be used. If still undecided there will then be a head to head shoot-off.

New ATA Rule

Champion of Champion entries at the Grand must be the State Singles Champ or 1st Runner up. Also any ties for this privilege must be settled by no other means than a shoot off. Letter via ATA General Manager Mr. Lynn Gipson "We are not concerned with third, fourth, fifth or further positions as these individuals do not qualify for event entry even if they are the highest place Montana shooter in Grand Attendance."

State Singles Championship

State Singles championship will be decided on 200 targets, Events 10 & 13. The M.S.T.A. will provide funds to the State Champion or a Runner Up, provided he or she agrees to enter the Champion of Champions race at the Grand American Handicap if eligible. ATA RULES allow only the State Champion or Runner Up to enter the Champion of Champion event.

In All Cases

The recipients of these monies must enter the Champion of Champions event at the Grand to receive this expense money from the M.S.T.A. WINNERS are to notify the M.S.T.A. secretary as soon as possible whether they will or will not be able to attend the Grand. In 1999 the board revised this rule. If the Champion or Runner-Up does not attend the Grand the Days fees are retained in the M.S.T.A. treasury and awarded at the following year's state shoot in the following manner. The money is to be rounded down to the nearest \$500 and awarded as added money to the High All Around winners by class (AA, A, B, C, D) high gun 50-30-20 closed to out of state shooters.

Declare Special Categories

All Ladies 1, Ladies 2, Sub-Juniors, Juniors, Junior Gold, Sub-Veterans, Veterans, Senior Veterans must declare their special category at the time of their entry in any registered event. Without such declaration at the time of entry, the shooter will not be allowed to compete for the applicable special category trophies. No exceptions to this Rule are to be allowed.

Birthdays

ATA rules will apply.

Juniors, Sub-Juniors, Lady 1, Lady 2, Veterans, and Senior Veterans

When there are trophies for Juniors, Ladies, and Veterans only in a given event; Juniors and Sub-Juniors are both in the Junior class; Lady 1 and Lady 2 are both in the Ladies Class: Veterans and Senior Veterans are both in the Veteran class.

High Gun Payoffs

The number of pays in a High Gun payoff is determined by how many shooters enter the event. In the Montana State Shoot one place will be paid for each quantity filled with the first placed paid regardless of entries, and a place for any fraction thereof. In a 1 in 7 event one place is paid for each 7 entries and one more place is paid if there are any remaining entries. For example: 21 entries pay 3 places, 22 entries pay 4 places. Four places are paid until there are 29 entries.

Special Event

Special Event payoff is Hi Gun System. Paying 1 place per 10 entries with 70% for the buyer and 30% for the shooter. The payoff is limited to 20 PLACES. The Board added that the name of the shooter, his score, his pay, the name of the buyer and his pay be included on the payoff report.

Shoot Off Procedures

The M.S.T.A board of directors voted in 1995 to standardize the shoot offs to the format used at the Grand American with one shoot off deciding multiple trophies.

Butte Rod & Gun Medal

The Butte Rod & Gun Medal is a non-registered 40-target event. (15 @ 20 Yds, 15 @ 22 Yds, 5 pair dbls.) **Targets** (half the cost of targets in championship events), **Purse non-compulsory** (open) \$10.00. **Maintenance Fee** \$2.00.

Only Montana Shooters are eligible to win and have their name placed on the medal. \$100 is added for the winner of the medal. There are no classes in the open purse, all that enter shoot for the same money. The purse is split 30-30-20-20 Percentage System. Target prices set 8/27/2011 @ Director's meeting. Maintenance Fee was added 2012 @ Directors meeting.

Directors & State Annual Meeting

The date, time and place of these meetings must be printed in the program. Traditionally the directors' meeting is Thursday night and the state meeting is held Friday between the Doubles and Class Singles. In 2005 change to host club can have anytime that meets ATA requirement.

Setting Traps

The M.S.T.A. has adopted ATA suggestions for setting traps as well as the following. Traps are to be set in the 3 hole. 9 FOOT 48 YARD TARGETS are to be thrown. A committee of M.S.T.A. directors appointed by the host club is to set or oversee the setting of targets for the State Shoot. This rule applies to STATE or ZONE shoots only. **This rule changed to read the same as ATA guidelines by board of Directors in 1999.**

State Shoot Program

The host club bids for the state shoot 2 years in advance. One of the reasons this was done was so the host club would have time to prepare for the State Shoot. The host club should have the preliminary State Shoot program presented to the State Directors before or at the State Directors meeting at the State Shoot 1 YEAR prior to the year they host the shoot. The M.S.T.A. directors have adopted a standard State Shoot program. The directors are to proof read and comment on the program prior to printing. At the fall 2001 meeting the directors made June first (1) the latest date the program can be mailed.

Added Money: \$15,500

A total of \$14,500 of added money is open to all shooters. This is divided among several events as listed in the program. No special entry fee is required to participate. This money is provided by: M.S.T.A. \$9,000, of which **\$4,658 is the A.T.A. rebate**, Jim Jones \$2,000, Scheels \$1500 Yellowstone Bank \$1000, Cabela's \$500 Billings Trap Club \$500. M.S.T.A will also add \$1000 awarded by class in State to H.O.A. winners - \$200 per class, split 50-30-20 high Gun.

Dollar A Day

The host club is to collect \$1 a day from shooters for each and every day entered at the Montana State Shoot. This fee is to be paid back to the M.S.T.A. along with the target fees. This fee is paid directly to the State Singles Champion or Runner-up provided he agrees to enter the Champion of Champion event at the Grand.

Trap and Field Subscriptions

The State All-Around, Singles, Doubles, and Handicap Champs and Runner-ups each receive a One Year Subscription paid for by the M.S.T.A.

Camper Parking

To facilitate orderly movement throughout the camper area, parking will be by ATTENDANT ONLY. Check in at the clubhouse upon your arrival. There are a limited number of camping spaces available. These will be assigned on a first reserved basis. There will be a \$50 charge for RV parking. Because of inadequate power and very limited water If you want adequate power for your RV you will need your own generator, filling your tank from club is suggested rather than relying on adequate water at high use times. Toilet and shower facilities are available to campers.

Squad Hustling

In order to keep disturbance of shooters on the firing line to a minimum, we will not call each squad on the PA system. The numbers of squads and their starting order will be posted on the starting board. There will be no waiting! Your cooperation and attention are necessary to make this procedure run smoothly. We will be shooting 25 targets per trap and starting three squads at the beginning of each event.

Pre-registration

An advanced squadding form is contained in this program. This form must be received by June 28, 2017, to be considered, and must include a \$10.00 non-refundable deposit. Please make checks payable to the Billings Trap Club. (Deposit will be applied to the entry fees.) The management is not responsible for any late entries. This is the only method used for pre-squadding. No phone calls accepted. Partial or full squads accepted, but they should all be mailed in the same envelope. Upon arriving at the shoot – (1) go to the handicap table to pick up your entry form and be classified. (2) Go directly to cashier to pay entry - squad and post will already be marked on form.

Safety

Safety will be of primary concern through out all aspects and activities of this shoot. It is each person's responsibility to conduct him/her self in a safe manner at all times, and not endanger anyone else. This includes shooters, workers, and spectators; and covers gun handling, driving, equipment use and maintenance, and any other potentially dangerous activity.

Alcohol and Gunpowder do not mix. Let's help each other keep trapshooting a safe sport by correcting any unsafe condition that may arise. Do it now – Later may be too late.

The Bill Beyl Memorial Youth Trapshooting Scholarship

Here is how the program works -

Scholarships awarded to each youth shooter will be \$300.00. This amount will fund the shooter's first 500 registered trapshooting targets. It will cover MSTA and ATA memberships, entry fees and shells.

The Logan Scholarship Committee will select youth shooter recipients each year. The selections will be based on information gathered from their observations and those of other clubs and shooters around the state. A youth shooter recipient can come from anywhere in the state of Montana.

▶ The goal of the scholarship will be to identify young shooters interested in getting involved in registered shooting and could use a little assistance to get started. The selections will not necessarily be based on shooting ability but more so on the young shooters interest in the sport and willingness to practice and to get better and to compete in registered shooting. There will be no set number of scholarships given each year. That will be up to the committee based on qualified candidates and available funding. The scholarship committee includes Tonya Kent, J. D. Kent, Ivan Dieruf, Gary Delin and Levi Simonson.

We hope to fund these scholarships by donations and fund raising events; fun shoots, auctions, special Lewis Class options, and others. The Logan Club is planning on adding a Bill Beyl Memorial Youth Trapshooting Scholarship Lewis Class Purse on its handicap event at our registered shoots. Half of the entry fees will be returned to the Lewis Class winners, and the other half will go to the fund. We are hoping other clubs may follow suit.

The committee would welcome ideas or suggestions from clubs, shooters, or anyone on other ways to fund this worthy cause. We also want to hear from all of you on your suggestions on candidates for these scholarships. Please contact a committee member with your ideas or nominations.

All of the monies raised for this fund will be used only for scholarships, and nothing else. If you, your family, business, club or group would like to donate to this worthy cause that meant so much to Bill, it will be greatly appreciated and recognized. Whether it is a full scholarship donation of \$300.00 or any donation or your choice, let's keep Bill's name a part of ATA registered shooting for a long time to come.

Your donation, payable to the Bill Beyl Memorial Fund, can be mailed to the fund treasurer:
