## **ONTARIO ATA DELEGATE'S MESSAGE**

Welcome to the 98<sup>th</sup> OPTA Championships (2017). Our Ontario tournament has some of the best shooters in North America in all the events and in all categories. I wish you the best this year.

As many of you know, we have gone to 1,000 targets from 700. Years ago our standard provincial tournament was 1,000 and in many respects it is great to see this change as it is now consistent with many of the Eastern Zone state and provincial matches. It does however require four days as opposed to three. When our members approved this all of us thought we could stay on the same weekend as usual, finishing up on our holiday Monday. However, with the Grand American preliminary days starting on August 2nd this year and the championship events starting on August 7th, we were required to push our tournament back. The delegates of the Eastern Zone struggled with dates and conflicting tournaments. It wasn't until August of last year that it was finally settled that Ontario would go back two weeks where we conflicted with only Maine and the Eastern Zone tournament would remain at the same time (now one week after Ontario, as opposed to historically one week ahead). The students working at Sparta go back to school mid-August and that is why the Grand got pushed back. When you look at the calendar for future years, we will likely get jammed regularly. This situation is unfortunate for the conflicts created with the ATA AIM program and with people that must now go from the Zone directly to Sparta.

I hope this change in dates has not inconvenienced too many of you.

Have a great tournament.  
Paul Shaw — ATA Delegate

## **CLASSIFICATION**

***Starts Thursday July 20<sup>th</sup> at 8 AM!***

Classification for members meeting the target requirements will be determined by the OPTA Classifying Committee in accordance with your official registered averages and/or known ability per the following tables. Decisions by this Committee will be final.

### **SINGLES**

AA: 97% and over  
A: 94% and under 97%  
B: 91% and under 94%  
C: 88% and under 91%  
D: under 88%

### **DOUBLES**

AA: 93% and over  
A: 89% and under 93%  
B: 85% and under 89%  
C: 78% and under 85%  
D: under 78%

**TARGET REQUIREMENTS:** Shooters who do not have the following target requirements by the 1st day of this tournament (July 20<sup>th</sup>) will be classified as follows:

**SINGLES:** Any shooter with fewer than 1000 16-yard targets combined over the last year and current year will be placed in CLASS B or higher.

**HANDICAP:** Any Junior or adult male shooter with fewer than 1000 handicap targets combined over the last year and current year will be placed no less than 23 yards. Any Lady, Sub-Junior, Veteran or Senior Veteran with fewer than 1000 handicap targets combined over the last year and current year will be placed no less than 20 yards.

Shooters with an established yardage but not able to meet the target requirements, may shoot from their established yardage for "targets only" (not eligible for trophies or added money).

**DOUBLES:** Any shooter with fewer than 700 doubles targets combined over the last year and current year will be placed in CLASS B or higher.

## **CLASSIFICATION** **CATEGORY DECLARATIONS**

### **LADY I, LADY II, JUNIOR, SUB-JR., JUNIOR GOLD, SUB-VET., VETERAN AND SR. VET.**

Any shooter who wishes to declare a Special Category must do so *at the time of classification*.

Competing as a Category shooter is not mandatory, but failure to declare will mean the shooter will not be eligible for any of the applicable category trophies.

No shooter will be allowed to declare or change a category declaration after firing his or her first shot in the tournament. The only exception to this rule will be to correct a classification error made by the Classifying Committee – but a shooter failing to declare is not considered an error by the Classifying Committee.

**It is the shooter's responsibility to check the classification receipt to ensure he/she has been properly classified and category has been declared if applicable.**

Any Category shooter who is top score for Event Champion will be the Event Champion. Any Category shooter who is tied for Event Champion may shoot-off or carry-over for the championship trophy. If a Category shooter fails to win the Event, he or she will fall back to Category - but not to Place, Class or Yardage.

Any Category shooter whose score qualifies for a potential trophy in his/her declared category must compete for the category trophy and not for place, class or yardage group.

Any Category shooter whose score does not qualify for a potential trophy in his/her category, may compete for place, class or yardage trophies.

## **JUNIOR AND SUB-JUNIOR SHOOTERS** **OPTA SPONSORSHIP**

For many years, it has been the goal of the Ontario Provincial Trapshooting Association to encourage youth to participate in our wonderful sport by sponsoring their targets in the Championship events.

The OPTA will pay for any or all of the 400 championship targets for all the **Resident and Non-Resident Youth** shooters who classify in the ATA's Junior or Sub-Junior category. Juniors and Sub-Juniors will pay the daily fees of \$4.10 ATA & \$3.00 OPTA.

## **TARGETS AND AMMUNITION**

Fluorescent orange dome targets will be used in all events.

Targets will be set daily in compliance with ATA guidelines. Targets can only be reset by Shoot Management and will only be done if there is a noticeable change in flight due to weather conditions or machine malfunction.

All ammunition used on the practice and program traps during this tournament must be ATA compliant. Reloads meeting this requirement are allowed.

Ammunition will be available and sold by the Hamilton Gun Club. No other ammunition may be sold on the grounds without the authorization of Hamilton Gun Club.

All empty hulls ejected onto the ground will become the property of Hamilton Gun Club.

## **TROPHIES**

Shooters can only win one trophy in any Event, with the exception of the following **5 special OPTA trophies**.

- 1) **NEW SHOOTER:** A RESIDENT Trophy in all 3 Championship Events (Days Three and Four) is for the OPTA member with the top score whose first registered targets were in the 2017 ATA shooting year. No registration is required and there is no extra entry fee. ALL 3 of these TROPHIES have been generously sponsored by OPTA member Ray Kassmanian.
- 2) **TWO-SHOOTER TEAM:** A RESIDENT Trophy available in the Singles Championship to the winning Duo that registers for this special OPTA Category PRIOR TO THE START OF EVENT 7. The requirement is that the pair are to have a combined average of 190% or lower using the highest average of the last or current year.
- 3) **NEW JUNIOR AND SUB-JUNIOR** – A RESIDENT Junior and Sub-Junior trophy in the 200 Singles Championship Event with the top score of a competitor whose first registered targets were in the 2017 shooting year. These 2 trophies have been generously donated by Alicia and Florin Marinache of Learn Trapshooting Canada.

### **TROPHIES MAY BE PICKED UP DAILY.**

**“Trophy Hours” will be posted  
for your convenience.**

***Sorry, but trophies will not be shipped!***

## **EXPLANATION OF PURSES AND OPTIONS**

**GREAT EASTERN PURSE** - The whole purse is divided amongst the top 6 scores that played the options as follows: Top 6 Scores (Ties divide). High score 25%, Second High Score 15%, Third High Score 10%, Fourth High Score 25%, Fifth High Score 15%, Sixth High Score 10%.

**YOUTH PROGRAM PURSE** - One half of the purse goes back to shooters playing this option. Monies will be paid out in 2 Lewis Classes, 60%-40% high gun each class.

**JACKPOT PURSE** - Similar to the Great Eastern, but in this option, only the top 4 scores divide the purse: Ties divide 40-30-20-10%

## **CASHIERING AND PAYOUTS**

All cashiering is managed by Hamilton Gun Club. All OPTA Added Money will be managed and distributed exclusively by the OPTA.

All entries are final once they are cashiered. No additions or withdrawals will be permitted on options once your entry has been paid. There will be no refunds unless an event is cancelled.

Cheques and credit cards will be accepted by Hamilton Gun Club in Canadian or US currency (at the current rate of exchange).

All option payouts will be distributed solely by Hamilton Gun Club. Payouts will be issued by Hamilton Gun Club in Canadian currency only.

Scores are final for purse and options calculations 15 MINUTES after the event is completed. Subsequent to this deadline, scores will be corrected for ATA record purposes only.

**Hamilton Gun Club will have food available on the grounds throughout the tournament.**

## **ON THE FIELD PROCEDURES**

No shooter will be called to the line! Squads are expected to take their field as soon as the squad before them is finished. Squads are allowed to wait three (3) minutes only for absent members – or if a shooter experiences gun problems. After 3 minutes, the squad must resume shooting.

## **MAKE-UPS**

No shooter will be allowed to MAKE-UP more than 50 targets due to missed squads or gun repairs. You MUST report to Shoot Management to make up your targets no later than 15 minutes after the last shot is fired in that event.

RESQUADDING is mandatory for those who have missed more than 50 targets with their assigned squad. There will be a \$10.00 resquadding fee.

## **SHOOT-OFFS**

All ties in the Singles and Doubles Events from Day ONE and TWO will be carried over to the sub-event in the next like Event.

Shoot-offs for the Championship Singles and Handicap will be done on a 25 target basis. Shoot-offs for the Championship Doubles will be on 10 pairs.

There will be 3 calls for shoot-offs. Shooters who do not respond within 5 minutes of the final call will forfeit.

## HAMILTON GUN CLUB PRESIDENT'S MESSAGE
