## PRESIDENTS MESSAGE

Dear Shooters,

Welcome to the 2017 Western Zone hosted by the Spokane Gun Club. Established in 1892, the Spokane Gun Club is the second largest and the oldest trap and skeet club in the West, with 2017 marking our 125th anniversary!

Throughout the year we proudly host many events and shooting programs including ATA, PITA, and NSSA. Among our shooters will be world class competitors, new shooters and any skill level in between. There's plenty of room for everyone to feel welcome! Come and join the festive and friendly fun at the Spokane Gun Club.

Best wishes and we are looking forward to seeing you. Good Shooting!

Price of **\$1250.00**

## 800 PLUS

The 800 Plus is equipped with the star gear, index rod, main index gear, etc., giving the "disc" when the machine is indexed. It also has a die removal cylinder, allowing for quick and easy die removal at virtually any station, the E-PRI Access Hopper which holds about a pound of powder and 25 lbs. of shot, a brass external adjusting primer feed assembly and all other standard features found on the Patriot 2000.

Another great feature of the 800 Plus is the quick changing tool set kit. Since the 800 Plus does not have a center shaft, these tooling kits are installed in a tool head, allowing you to convert to another gauge in under 5 minutes and without the need to re-adjust any of the cranking stages.

The 800 Plus is available in 12, 16, 20, 28, or 410 gauge. \$24.

### 800 PLUS

Includes specially finished chrome seating pins. Available in

12, 16, 20, 28, or 410 gauge

800 PLUS 12	— 12 Gauge with Starling Dies, Bearings Included (2), #16	— \$850.00
800 PLUS 16	— 16 Gauge with Starling Dies, Bearings Included (2), #15	— \$850.00
800 PLUS 20	— 20 Gauge with 5 shot Dies, 3 shot pins included (2), #14	— \$850.00
800 PLUS 28	— 28 Gauge with 5 shot Dies, 3 shot pins included (2), #13	— \$850.00
800 PLUS 410	— 410 Gauge with 5 shot Dies, 3 shot pins included (2), #11	— \$850.00

## AUTO-DRIVE ELECTRIC SYSTEM

This new, easy to install, unit is super quiet when operating. The AUTO-DRIVE features a smooth, heavy duty electric motor which has a built in brake system, making use of the system will stop instantly with no creep or unwanted movement. The cranking arm is equipped with a slip clutch system, allowing the user to slip or stop, under load, with no problem.

The AUTO-DRIVE is easily operated by turning the forward/reverse control lever. The fall pivoting system allows the arm to work in one continuous motion. If you need to reverse the system, simply reverse the control lever.

The AUTO-DRIVE comes fully assembled and mounted on the steel base. All mounting holes are pre-drilled. Install on all Ponsness/Warren progressive double feeding machines. 40 lb. 39" depth requirement.

AUTO-DRIVE - Electric System..... \$799.95

Model also available in PE Spitzer Gold Primer, and Hornady 156 Aids. Postal model also available. California only.

## AUTOMATIC SHELL FEED SYSTEM

**Spend less time reloading  
— more time shooting!**

Mount this system to your machine and shells will automatically be placed on the shell seating post. The large shell hopper holds 500 empty shells and feeds them brass down onto the shell feed seating assembly. The electric motor which turns the seating die in the hopper is equipped with a micro-switch, stopping the motor automatically when the feed is helpful. 20 lbs. 12 Gauge only.

SHELL-FEE - Automatic Shell Feed System - \$375.00
