

2017 Marathon #3 – June 13, 2017

2pm – Close (no later than 9pm)

We will be holding a marathon for folks to get as many targets as we can. We will have availability of Singles, Handicaps, and Doubles. There is a requirement that at least 3 individuals shoot a given event. The three shooters do not have to shoot at the same time, but must shoot the event, same day, to have the event be a registered event and count toward registered targets. We can make no guarantees that enough people will show up to make an individual event qualify as registered.

2:00pm – Registration Begins \$3.00 ATA Daily Fee

2:00pm to 9:00pm (last squad off by 8:15pm) – Events Formed as Requested and Able

Singles \$15.00/100 targets

Handicap \$15.00/100 targets

Doubles \$15.00/100 targets

Please note that if less than three individuals show up during the day for an event, any scores for that event will not count toward registered targets.

Above will all be subject to availability of scorekeepers.

Shoot management reserves the right to refuse any entry, to make program changes or cancellations, or make adjustments to traps as conditions warrant.

For any questions, please call John Monticello at 860-985-2330
