## Letter from the President

Dear fellow shooters;

2017 Can best be described as a very busy year. We held the Canadian Championships, along with <sup>the</sup> other registered ATA shoots, the Stollery Charity Shoot, and doubled our clubs Corporate Events. As well as hosting our events, the Board accomplished a ton of upgrades to the facility. We re-shingled our buildings, purchased a new target container, added two more PAT Traps, installed Wi-Fi, a new furnace, and a new security system in the clubhouse. We also tuned up all of our Canterbury Voice Pull Equipment, and bought a new John Deere Gator to improve our mobility and target handling on the <sup>the</sup> field.

The Canadians brought 197 shooters from British Columbia to Newfoundland, and we threw 167,500 targets over four and a half days. It was heard from many local and visiting shooters, that it was possibly the best Canadians that they had attended! For results and more details visit "shootcanada.ca". Thank you to all involved in making this a great event. With special thanks going to Gerry Gau, Art Peyton, Bryce Ziegler, Steve Kozak, Ron Crockford, and Shannon Papley.

Although we had many success stories this past year, we did end the season on a sombre note here in Edmonton. Long time trapshooter, past Canadian Singles Champion, and longest serving General Manager of our club, John H. Stoik passed away December 31st, 2017. Our heartfelt condolences go out to Johns wife Giselle, and the entire Stoik family. In honour of Johns lifelong contribution to our club, we will host a yearly Memorial event in his name.

Looking onward to 2018, we have another great year lined up, with the Alberta Provincial Championships coming back to the club, and our ever growing Stollery Children's Hospital Charity Foundation Shoot including a new major sponsor; Canadian Tire. A special thanks to Ron Dawson for his continued passion and hard work for organizing this wonderful event.

One page just isn't enough to tell everyone about all the positive things happening in Edmonton, but I would like lastly to thank all of the volunteers and shooters who made 2017 a great year, and we hope to see you all in the spring!

Sincerely,

Jack Broadfoot  
President,  
The Edmonton Gun Club

# Shoot for the Stollery

## Letter from the President

Much like the Edmonton Gun Club, the Stollery Children's Hospital Foundation has its sights firmly set on the future.

Dedicated to raising money in support of excellence at the Stollery Children's Hospital, the Foundation makes sure the Hospital has what it needs to care and treat children for generations to come, and remain a world-class pediatric facility.

With more than 291,000 patients each year, the Stollery is the busiest and most specialized children's hospital in Western Canada. Your investment in excellence means specialized equipment to treat and care for the sickest kids; sub-specialty education to train the brightest medical minds; research to discover new treatments and cures; and specialized pediatric programs that improve family centred care, and patient and family outcomes.

To learn more about how your contributions through Shoot for the Stollery are making a meaningful difference in the lives of kids and families right in their backyard, please visit [stollerykids.com/in-my-backyard](http://stollerykids.com/in-my-backyard).

Good luck to everyone participating in this year's event and on behalf of the many children and families who will benefit from your support, thank you!

Sincerely,

Mike House, MBA, ICD.D

## Alberta Presidents Message

Dear fellow shooters;

What an amazing year 2017 was in Alberta. With the Canadians and our Provincials, we had some terrific scores, and shared some great memories. Thank you to everyone that made our shoots possible, especially the shooters and families who attended from across the country.

We also witnessed the successful inauguration of a new ATA host club in Wainwright! It's the first new registered target host in Alberta since Ft. McMurray back in 1986, and they did a fine job. If other clubs are interested in hosting, give us a call, we'd love to have you.

2018 will be another fantastic year as our Provincial swings back to the Edmonton Gun Club. It will feature 6-Class Trophies, a banquet sponsored by Bayer CropScience, and \$10,000 CAD Added Money, courtesy of the Brumwell Family. Please don't hesitate to give a big hug to Bert and Heather for their wonderful contribution to the APTA.

If you hadn't already heard, the Western Zone will run concurrently along with the Provincial this year. This will add more All American Points, trophies and \$4500 USD in Added Monies to our Provincial targets Friday through Sunday, for only \$1.50 USD per event, so don't miss out!

And... Please remember to join us Friday evening at our AGM, where we'll honour another special member with induction into the APTA Hall of Fame; Carstairs' Allan Day. Well done Allan, congratulations!

Finally; as 2018 will be my last year with the APTA, I'd like to thank all the people that made my experience a positive one. I wish all of our members the very best for the future and Good Shooting!

Sincerely,  
Trevor Kuhn  
President - APTA

## Classification & Handicapping

Classification will be based on official averages and known ability. In all cases, known ability will have a strong bearing on classification. The APTA reserves the authority to change the classification of any shooter at any time and the additional authority through proper channels with the ATA to make any yardage change they deem necessary. APTA Board of Directors are the Classification and Handicap Committee for this Shoot. Any shooter whose classification is not signed by an APTA Director will be disqualified. Shooters are required to have their 16-yard and doubles averages computed prior to registration. Shooters who present an average card without all targets recorded and/or without averages being calculated will not be classified until the card is completed.

### Penalty Classification and Yardage

**Singles.....**A shooter who has less than 1000 total 16 yard targets registered for the current and previous two years will be assigned to "A" class or higher at the discretion of the APTA Director classifying the shooter. There will be no Singles penalty re-classifications during the tournament.

**Doubles...**A shooter who has less than 1000 total doubles targets registered for the current and previous two years will be assigned to "A" class or higher at the discretion of the APTA Director classifying the shooter. There will be no Doubles penalty re-classifications during the tournament.

**Handicap..**Subject to ATA Rule Section VI 4 a. And b., A shooter will shoot his or her ATA or PITA yardage, whichever is the longest. It is the shooter's responsibility to notify the handicapper if he/she holds or has held a card of another trapshooting association during the current or preceding ATA target year. Sr. Vet shooters who have less than 1000 total handicap targets registered for the current and previous two years will shoot from assigned yardage or average card yardage, whichever is longer. Assigned yardage will be no less than 20 yards.

All other shooters who have less than 1000 total Handicap targets registered for the current and previous two years will shoot from assigned yardage or average card yardage, whichever is longer. Assigned yardage will be no less than 23 yards. Yardage may be re-classified if minimums are met during the tournament subject to restrictions.

Subject to penalty classification, the following classification table will be used for this tournament:

#### 16 Yards

AAA..... 98% and Above  
 AA ..... 96.25% and Under 98%  
 A ..... 94.75% and Under 96.25%

 C ..... 90% and Under 93%  
 D ..... Under 90%

#### Doubles

AAA..... 96% and Above  
 AA ..... 92% and Under 96%  
 A ..... 89% and Under 92%  
 B ..... 86% and Under 89%  
 C ..... 82% and Under 86%  
 D ..... Under 82%

### Notice to Special Category Shooters

Because All American points will be awarded at this tournament, shooters may declare only one category (i.e. Lady1, Lady 2, Sub-Junior, Junior, Junior Gold, Sub-Vet, Veteran, or Senior Veteran). Chair shooters are exempt from this rule. Category shooters listed above must declare their special category at the time of classification in order to be eligible for special category trophies. It is the responsibility of special category shooters to ensure that their special category has been noted on their entry form prior to cashiering for the first event entered.

Any Category Shooter tied for event Champion may shoot-off/carry over for the Championship Trophy. If the Category shooter fails in the trophy shoot-off/carry over, they will fall back to the declared Category.

In an event that has no Champion Trophy, the Category shooter whose score qualifies for a trophy in their declared Category, may not fall back to place, or class.

Where there is no Category Trophy offered, the Category shooter is eligible to shoot for Class trophies without forfeiting their special Category status should they lose. All American Points are not trophies.

Any Category Shooter whose score does not qualify for a trophy in their category, may compete for place, or class trophies. Once declarations of Category have been made by the shooter or shoot management, the declaration is final and cannot be changed. There shall be no exception to this rule.

*Good Luck to All Shooters!
