President's Message...

My Fellow Trapshooters and Friends,

On behalf of the 2018 Ohio State Trapshooting Board of Directors, it is my distinct pleasure to welcome you to the 132nd Ohio State Trapshoot. I wish each of you an enjoyable and successful experience throughout this week long event. Our sincere thanks goes out to the Fishburn family and the staff of the Cardinal Shooting Center for hosting this event and working so cooperatively with the O.S.T.A. to create one of the country's premier state shoots.

I wish to thank all of our sponsors, vendors, and program advertisers, whose support means so much to the ongoing success and enjoyment of this shoot. Please give them your full support and thank them personally for being here and for their greatly appreciated contributions to our tournament.

Last year, the Ohio State Trapshooting Foundation established an endowment fund with the MidwayUSA Foundation for the support of our youth programs throughout the state. To this point, we have invested \$165,000 into our endowment and I am pleased to report that through the Larry and Brenda Potterfield's Matching Program along with the return on our investment, the fund has grown to well over half a million dollars! Through this program, the future looks bright for the development and expansion of youth shooting programs for many years to come. Once again this year, we are featuring our O.S.T.F./MidwayUSA Foundation Gun Give-Away Option with seven guns to be given away. Be sure to enter each day or for the whole week to be eligible. In addition, we are once again giving away an E-Z-GO Golf Cart and trailer to the lucky ticket holder, as well as holding our daily 50/50 raffle with the proceeds from both of these fundraisers benefiting the Ohio State Trapshooting Foundation.

For those of you here on Monday, please join us for our Fun Day events, the 50 Bird – 22 Yard Handicap and the Miss and Out. Proceeds from these events will be donated to the Prostate Cancer Research Institute. Prostate cancer is the most commonly diagnosed cancer in men and the second leading cause of cancer death in the U.S., so please consider shooting these events and supporting this worthy cause.

We are pleased to congratulate and honor our 2018 HOF inductees Ken Kamnikar, Ron Charniga, and the late Bill Jaqua. Plan to join us Thursday evening, June 21st, for the HOF Reception, followed by the ceremony inducting these three gentlemen and recognizing them for their many accomplishments and contributions to our sport. In addition, the White Flyer All-Ohio Team will be honored, along with the awarding of our Foundation scholarships.

It has been an honor for me, in my 50th year as a member of the A.T.A. and O.S.T.A., to serve on the Board of Directors of the O.S.T.A. It is a pleasure working with such a dedicated group of individuals who give of their time and abilities to help assure our sport remains vital and healthy and that this Ohio State Trapshoot is the best it can be. I wish everyone a successful, fun-filled, and enjoyable week of shooting and hope each of you will share your passion for our sport with others and encourage them to give trapshooting a try!

The candidate must be an Ohio native or have spent the majority of his or her shooting career in the State of Ohio, or made a major contribution to the sport of trapshooting while a resident of Ohio. 2018 HALL OF FAME INDUCTEES

KENNETH KAMNIKAR Lorain, Ohio

72,100 Singles • 48,850 Handicap • 40,450 Doubles

June 21st, 2018 is a special day for Ken. Not only will he be inducted into the Ohio Trapshooting Hall of Fame, it is also his father's birthday. Louis Kamnikar, the man who introduced Ken to trapshooting, would be 122 years old. In 1930, Ken's father helped to build the Lorain Rifle and Hunting Club in their Slovenian community.

In 1962, Ken started shooting on the Army pistol team. When he returned home there weren't many places to shoot pistol, so in 1989 he seriously took up trapshooting. In 1998 at the Grand American, Ken shot his first 100 straight in handicap – a day he remembers well. His second 100 score in handicap was at the 2001 Grand American, which soon became his favorite place to trapshoot. Ken's shooting record from then to now, has been quite impressive.

Ken has enjoyed his many years of trapshooting and the many friendships made along the way. "Trapshooters are great people." Ken wants to help the future of the sport, which means supporting our youth shooters. Ken's advice to the up-and-coming shooters, "Do your best and God will do the rest" – a motto Ken recites every time he takes the line.

RONALD CHARNIGA
Bowling Green, Ohio

235,400 Singles • 234,750 Handicap • 158,150 Doubles

Ron used to spend his spare time hunting pheasants and shooting crows with his Model 12- no rib, field gun. In 1975 he decided to try protector shooting at Lowellville Gun Club with his good friend, Lou Hornyak. It didn't take Ron long to learn that he needed to add a rib and a trap stock on that gun to stop the kicking! A year later, he had discovered registered trapshooting and as they say, "the rest is history".

He shot his very first registered shoot while living in Michigan and working at Ford. He remembers that February snowstorm at the old Winchester Gun Club with the cold winds blowing off of Lake Erie and the nearby swamp. The bad weather conditions did not discourage him from working at the sport as he was on the 27-yard line in less than 2 years, and has remained there since the early 1980's. He had to overcome flinching so he switched to a release trigger and moved up to a Perazzi, his current gun of choice.

Ron loves to shoot which is evident in the amount of registered targets he has logged over the years. His 100,000 singles target was shot at Great Eastern Gun Club in Walnut Creek and his 200,000 singles target was shot at Jaqua's in Findlay. In 2007, Ron was especially proud to win both the High Over All and the High All Around at the Ohio State Tournament. Ron advises shooters to have fun and enjoy yourself when you are out there on the trap line.

2018 HALL OF FAME INDUCTEES (continued)

WILLIAM "BILL" JAQUA Findlay, Ohio

Bill started Jaqua's Sports Marine in 1947 with the typical small sporting goods store and an even smaller inventory of guns. As his sporting goods business grew, so did his love of firearms. Bill started going to the Ohio State Shoot and the Grand American in Vandalia, long before the days of vendor buildings and sold his trap guns out of a tent. In August of 1973, he bought his first building, which at the time was considered to be at the heart of vendors row. The business moved once more down the trap line to the west, and remained there until the closing of the Vandalia shooting grounds.

In the late 70's, Bill leased the Fisher Brothers Gun Club from Bud and Bill Fisher and eventually purchased the property we all knew as Jaqua's Gun Club. In 1982, he built a gun store on the property that offered shooters the ability to "try before you buy". Shooters shopped and purchased their guns while actually standing inside the gun safe! Jaqua's Gun Club had many years of big and small, fun and serious registered shoots.

In 1943, Bill entered the Air Force to serve our country. He flew 35 missions as a bombardier-navigator on a B-17. During his career as a gun dealer, he shot 106,550 singles, 112,350 handicap and 88,450 doubles registered targets.

Bill Jaqua loved the shooters, loved making gun deals, always had a smile, and wished happiness for everyone he met. He passed away last year on December 31st, one day after his 94th birthday. Bill was aware that he had been selected for the Ohio State Trapshooting Hall of Fame and was honored to know he was to be inducted at the State Tournament.

The 6th Annual Ohio Youth Championship Shoot

presented by

Centerburg Youth Shooting Sports

and

The Ohio State Trapshooting Association

The Ohio Youth Championship is designed to provide an additional Youth State Championship event in Singles, Handicap, Doubles and High All Around by using the existing ATA categories in conjunction with The OSTA Ohio State Shoot Championship events. These events will be scored by the normal scoring practices as set forth by the OSTA and the ATA rules and policies. We believe it is important to encourage our youth to participate in all aspects of trapshooting which includes all three disciplines.
