 Event 1 starts at **9:30** am (*more or less.*) Note: This is 30 minutes earlier.
 Event 2 starts at completion of Event 1
 Event 3 starts at completion of Event 2, etc.

SHOOT PROGRAM RULES

These are invitational shoots and the Club Directors reserve the right to reject, refund, or disqualify any contestant who, in their judgment, interferes with the harmony of the shoot or violates ATA or safety rules and regulations. ATA rules govern all events and referees will make decisions in accordance with them. Targets and target settings will comply with ATA rules. A shooter may win only one trophy in each event. See **“Special Categories”** and **“Make-ups & Shoot-offs”** for more information on declaring categories and trophy eligibility.

Classification – Singles and Doubles: Shooters will be classified according to their known ability and must have their current average card and ATA membership card with them to enter. Unless otherwise stated in a specific shoot program, the following 4-class system will be used:

Singles (4)		Doubles (4)	
A	95% and over	A	90% and over
B	92% and < 95%	B	85% and < 90%
C	89% and < 92%	C	78% and < 85%
D	Under 89%	D	Under 78%

Handicap will be ATA assigned yardage. Any shooter who shoots in a class or a handicap yardage higher or lower than the assigned class or yardage will be subject to disqualification and are not eligible for trophies or Lewis purse winnings.

Special Categories: Shooters may only declare one special category (example: lady or junior, but not both). For the purposes of trophies, Veteran and Senior Veteran will be combined in the Singles and Handicap events. For Singles and Handicap the other Special Categories are Sub-Junior (under 15 years), Junior (15 –17 years), and Lady (Lady I and Lady II are combined). Doubles *may* have one or two special categories, depending on the shoot: Junior (Junior/SJ combined) and Lady, or there may be no special categories (*see the specific shoot for details*). These categories must be declared at registration before shooting. Special Categories take precedence in awarding trophies over class or yardage “if high in their category”. See “Ties” on page 2 for more information on shoot offs.

Minimum Class Assignment: Unless a shooter’s known ability can be established (example: 500 registered targets in the current and previous years combined per ATA, or known practice scores, etc.), they will be assigned a minimum of class B (class C for Ladies and Juniors, class D for Sub-Juniors) for the singles & doubles events. There will be no penalty yardage assigned to the handicap events. Shooters will shoot their assigned ATA handicap yardage (**19 through 27 yards**).

Make-ups & Shoot-offs: Any shooter missing all or part of a round, should report to Registration for make-up. This must be done before the next event starts and before last event ends for the day. Contestants in shoot-offs will be called over the PA system. Those who fail to show within 10 minutes of second call for a shoot-off, forfeit rights to that trophy. Shoot-offs are conducted after the last event of the day.

Ties: Any shooter who is tied for event Champion, Runner-Up, or Third Place (providing the event has such) *may* shoot off for the Champion, Runner-Up, or Third Place trophy. If a shooter fails in these championship trophy shoot-offs and has declared a special category, the shooter will fall back to the declared category **if high in their category** (i.e. cannot "shoot off" for Class or Yardage Group). If shooter loses in their category shoot-off, but are the lone score (i.e. only shooter) in their Class or yardage (e.g. only 25-27yd shooter), they may take Class/yd trophy.
