NMSTA PRESIDENT'S MESSAGE

On behalf of the New Mexico State Trapshooting Association and the NRA Whittington Center, I would like to welcome you to our 70th annual New Mexico State Trapshooting Tournament. Our Board of Directors and officers have been working hard this past year to provide you with the best possible shooting experience.

NRA Whittington Center has invested over \$250,000 this past year in their facilities. This year we will have 16 program traps available which will allow us to complete shooting sooner. With over 200 shooters last year and just 10 program traps, we found our days ending later than we liked.

This year we have expanded our shoot again. We are throwing 1,500 targets over 6 days with 1,300 targets included in the High Over-All. Additionally, we are providing resident and non-resident trophies for all events with the exception of the two preliminary events on Tuesday.

This year, 3 corporate sponsors are providing financial support for our expanded program. They are White Flyer, Prize Possessions and First American Bank. We want to give them a big shout out of thanks for their support.

Thursday will be White Flyer Day that is sure to be lots of fun with an opportunity to shoot-off for cash prizes. More on this will be available when you classify.

I want to thank the NRA Whittington Center for their generous hospitality and for sharing their beautiful facility with us. Without them this shoot wouldn't be what it is today.

A big thanks for our advertisers, my Board of Directors and NMSTA officers for your dedication and support of trapshooting in the great state of New Mexico. And a special thanks to you shooters for attending this year's shoot. If there is anything we can do to make your experience more enjoyable, please let us know.

Good Luck Shooting Everyone!

Joel Schram—NMSTA President

CLASSIFICATION AND HANDICAPPING

Shooter classification will be based upon ATA printed Rule V; Singles & Doubles Events

Classification will be based on registered targets shot this year, last year, or last 500 whichever is the highest. Known ability may also be considered if that may have a bearing on an individual's ability to break targets.

Any shooter that has registered fewer than 500 targets in 16 yard, handicap or doubles for the current year and two previous years may be assessed penalty yardage and classification. Penalty yardage and classification will be as follows: Men, Sub Veteran, Veteran, Senior Veteran, Junior Gold & Junior – Class B & penalty yardage 22. Lady 1, Lady 2 & Sub-Junior – Class C & penalty yardage 19.

If shooter has registered an excess of 500 targets in 16 yards or doubles, including current and last year, the average of the last 500 targets, current year's average, whichever is highest, will be used. Abnormally low scores will be disregarded.

It is the contestant's responsibility to have his / her average card up to date before approaching the classification table. It is also the contestant's responsibility to show entire registered ATA shooting history for the current year. If average card is not current and up-to-date when presented to the classifier, you will be asked to leave the line and update your card, then get back in line.

As per rule IV; ATA Tournaments

All special category shooters must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. No contestant will be allowed to declare or change a special category declaration after firing his/her first shot. Only one (1) Special Category may be declared. There will be no exceptions to this rule. (*Chair Shooters are exempt from this rule*). It is the shooter's responsibility to see that the classifier enters the correct special category on his / her entry card and also the special category is recorded by the computer upon entry. It is the shooter's responsibility to verify if asked special category status.

Special Categories: Female shooters shall be designated as Lady 1 or Lady 2. A female shooter who has not reached her 55th birthday will be designated as Lady 1. A female shooter who is 55 or over will be designated as Lady 2. Because of age, female shooters may also be designated as a Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran or Senior Veteran. Hall of Fame - Joe Whitehurst

In 1952, when Joe Whitehurst was nine years old, his dad put a shotgun in his hands, and it seems he has had one there ever since. First, Joe went bird hunting with his dad and brothers then, later, at family get-togethers, they would shoot clay targets. In his twenties, Joe began shooting skeet in competition and, after many years of that, advanced to trapshooting. Since that time he has shot in New Mexico, Oklahoma, Texas and Arizona. Over the years Joe has shot thousands of registered targets and has become acquainted with a wonderful group of people.

He has developed friendships that will last a lifetime and over the past several years has been fortunate enough to shoot on a squad with four great friends, Dudley Clark, Billy Burrows, Brianna Huff and Rick Seaton. One of the highlights of his shooting career has been a trip to Sparta, Illinois with Dudley Clark, to shoot at the Grand American the first year it was held in that location. Another highlight was having the opportunity to meet Leo Harrison III, who Joe feels was the best trap shooter ever.

Joe's claim to fame is trading for a shotgun, shooting it well then selling it and starting the process all over again. His friends give him a hard time about it, but judging from his success, it works well for him.

Joe is a natural leader, and was honored to serve as President of the New Mexico State Trapshooting Association for five years. During that period he wishes to acknowledge the hard work of two great friends who served as Secretary/Treasurer of the Association: Mark Weber and Robert Trobough. Their hard work during those five years contributed greatly to the success of the N.M.S.T.A.

For the past three years Joe has been the trap coach for over 30 Junior High and High School trap shooters at the 4P Trap Club. Joe feels coaching these young shooters is a privilege and is grateful for the opportunity to share the love of this sport with them. Joe emphasizes safety and sportsmanship as well as technique when he works with the young people and is careful to help them build self-confidence as he instructs and guides them. Many of his students are now participating and excelling regularly in A.T.A. and A.I.M. shoots throughout New Mexico and West Texas.

Joe has been blessed by the sport of trapshooting which has allowed him to make many good friends, trade guns and coach young athletes.
