Welcome Shooters

On behalf of the California State Trapshooting Association officers and directors, I would like to welcome you to the 82st annual 2018 California state trapshooting championships hosted by Livermore Pleasanton Rod and Gun Club

This year's honorees are Rod and Beckie Island. Rod has been trapshooting for many years and has registered over 82,000 targets since 2008. Rod has been a PITA All Star for four years, a CSTA board member for many years and continues to Handicap at many shoots.

Rod and Beckie have helped out the PITA and the CSTA in many ways. Rod is famous for his redwood burl clocks that are given to shooters as trophies. The Islands have sponsored many events over the years by donating added money and trophy packages and you can always find Beckie helping with trophies and feeding the hungry shooters. Thanks for your many dedicated years of support!

We also want to thank and support our vendors, program and event sponsors, and all the folks that make this state shoot a success. This shoot happens because of your dedication and hard work! We couldn't do it without you!

I hope all of you shoot well, but more importantly, have fun!

See you in Livermore

Thank You!

Steve Thibodeau
CSTA President

Series Champion Awards

Presented by the C.S.T.A., the 'California Series' tournament in 2018 will award Series Champion buckles to winners of four yardage groups (21-22.5, 23-24.5, 25-26.5, 27) and for seven special categories: 19-20.5, Lady, Elder, Senior Veteran, Veteran, Junior and Sub-Junior.

California Series - QUALIFYING and ELIGIBILITY:

Open to all members of the P.I.T.A. from any State or Province.

Membership is the shooter's responsibility. No scores will be counted unless P.I.T.A. membership is current.

Only 'California Series' shoot scores will be counted. Note that not all California P.I.T.A. shoots are certified as 'California Series' shoot events. Clubs hosting 'California Series' events will advertise as such.

Your 'Yardage' and 'Special Category' eligibility at your first Series Shoot event will remain the same for the entire 2017 series Tournament. Changes like aging and yardage advancements do not change your entry status. For Example: Should you begin the Series Tournament as a 'Junior' or as a '21-22.5' yard shooter, you will compete in the same category for the whole tournament, even if during that time you become older than the 'Junior' age range or get punched to a longer yardage. However, if your yardage changes you must then shoot from the longer/promoted yardage or from an applied/granted reduced yardage. Regardless of a change, all certified scores are still applied based upon your initial qualification status.

To become eligible to win one of the four yardage groups (21-22.5, 23- 24.5, 25-26.5, 27) , a shooter must shoot at least 500 16-yard singles, 500 handicap and 500 doubles (250 pair, in 50 pair events).

To become eligible to win any of the 'Special Category' events (yardage 19-20.5, Lady, Elder, Senior Veteran, Veteran, Junior and Sub-Junior), a shooter must shoot at least 500 16-yard singles and 500 handicap. Note regarding years of age: A Veteran has attained their 65th birthday, a Senior Veteran has attained their 70th birthday and an Elder has attained their 75th birthday. A Sub-Junior is a person who has not attained their 15th birthday. A junior is a person who has not attained their 18th birthday.

You may win only one category award. Example: If you score as High Junior and High 21-22.5 yardage, you will be awarded the '21-22.5 yard' Award, only.
