WELCOME

March 2018

Dear Fellow Shooter,

We are pleased to once again send you the Bradford Gun Club Program of Events booklet. In addition to our registered trap shooting events, this booklet contains information on our Spring & Fall Ironman Shoots; Skeet League; benefit clays shoots; and much more. Please take a moment to review the 2018 complete Shoot Schedule shown on the inside of the front cover.

A special “Thank You” goes out to all of our advertisers and shoot sponsors who generously contribute to the production of this booklet as well as adding prizes to our sponsored shoots.

The Bradford Gun Club is open year round on Wednesdays from 4 to 8 PM and Sundays from 10 AM to 3 PM. On the days that we hold registered trap shoots the sporting clays course will be available.

There will be Special Events conducted on most of the handicap events at all of our multi-day trap events. Every effort will be made to hold live auctions as long as time permits.

For shooters who have been to the Bradford Gun Club in the past, we thank you for your patronage and we look forward to seeing you again in 2018. We are anxious to meet and welcome shooters who are new to our Club. Let's all hope for great weather and great shooting in 2018! Please visit our website at www.bradfordgunclub.com.

Sincerely,

The Board of Directors

AVERAGES. Make sure that the ATA card presented for classification is correct and contains all data with your 16 yard and doubles averages computed correctly.

BANK SYSTEM. A modified four trap bank system will be used for singles and handicap events. The traps will be marked 1A, 1B, etc. or 2A, 2B etc. In the doubles event targets will be shot across two traps, 25 pair to a trap. At the larger events there will be four starting traps for doubles. The shooter's starting trap will be indicated on the entry ticket.

CAMPING. There are 26 campsites available with water and 30 amp electrical hook-ups. These campsites are available on a "first come, first served basis." The daily camping fee is \$15.00. There is overflow camping available without any connections. There is no charge for the overflow camping. The gate to the campground will be open beginning on Wednesday afternoon before any event.

CLASSIFICATION. Classification for all shooters will be in accordance with the following:

16 Yard Events	Doubles Events
AA – 97% or over	AA – 93% or over
A – 94% to 97%	A – 89% to 93%
B – 91% to 94%	B – 85% to 89%
C – 88% to 91%	C – 78% to 85%
D – Under 88%	D – Under 78%

“Known Ability” can be used by shoot management to assign shooters to a higher class than their average indicates. The shooter’s record in both registered and non-registered shoots will be used as a basis for determining “Known Ability.” Scores that are abnormally low in relation to the shooter’s other scores can be disregarded at the discretion of shoot management. Please refer to the Target Requirements section to determine the minimum target requirements to avoid penalty classification or yardage.

CLASS/YARDAGE ADVANCEMENT. Any shooter who wins or ties for a 16 Yard or Doubles trophy shall be increased a minimum of one class. Shooters earning yardage must get their card punched before participating in their next handicap event.

CURRENT MEMBERSHIP. Please make sure you are using your current ATA membership card showing your correct address, assigned handicap yardage and that you have met all target requirements.

DOUBLES AND HANDICAP BONUS. If a shooter breaks 100 straight in a doubles or handicap event the Bradford Gun Club will pay a \$100 bonus to the shooter. Any ties will split.

EVENT CUT-OFF. Entry cut-off times as stated in the program will be strictly observed. All entries must be cashiered before the cut-off time or else the entry will not be accepted.

1. The shooter must have competed in event #2 — Handicap.
2. Upon completion of the event, BGC representatives will randomly and publicly select two numbers from zero to nine. Be sure to check your scores promptly. For purposes of this shoot-off, no scores will be changed after the two numbers are drawn.
3. Shooters with a score ending in the numbers selected will be eligible for the shoot-off. For example: if one of the numbers is a 2, then all scores ending in a 2 will be eligible for the shoot-off (e.g. 92, 82, 72, 62 etc.).
4. All shooters who have signed in to shoot-off will be assigned to shoot-off trap(s) and should have their guns and shells ready.
5. Shoot-off participants will proceed to shoot two shots from each post for a total of ten targets. All targets must be shot from ATA assigned yardages (or penalty yardage, if applicable). Shoot-off rounds of ten targets each will continue until the three winners are determined.
6. Decisions by shoot management regarding the above listed rules, or other disputes, shall be final. All decisions will be made in conformity with ATA rules.
