MESSAGE FROM THE PRESIDENT

Welcome Shooters

On behalf of the Board of Directors of the Colorado State Trapshooting Association, I want to welcome all shooters to the 2023 Colorado State Trap Shoot.

We have made some significant changes this year to our State Shoot Trophy budget, and we hope you'll notice the improvement in both the quality of our trophies and the improvement in the Out of State trophy package (quality and quantity). We heard some feedback from our shooters last year and worked hard to improve.

We are working to improve our CSTA web site as well and would love to hear any feedback you have. The entire State Shoot program is available as a PDF on the web site and we hope you'll reference it often.

A big thank you to Pike's Peak Gun Club for hosting the State Shoot this year as their group of energetic directors, staff and trap help will surely put on a quality shoot supervised by steady veterans and ATA leadership.

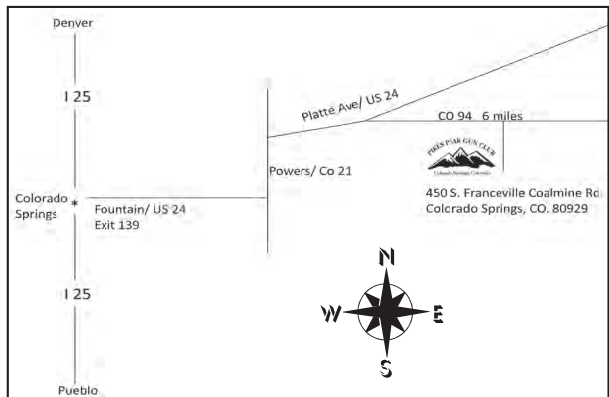

Weather may be fickle, but our trap friends are solid. Good luck. Have fun and break 'em all!

Mike Wasserburger
CSTA President

GENERAL INFORMATION (CONT.)

SPECIAL CATEGORY SHOOTERS

All Lady I, Lady II, Sub-Juniors, Junior, Junior Gold, Sub Veteran, Veterans, and Senior-Vets must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. The following rules apply to shooters who have declared a special category. At all tournaments where All American points will be awarded in any event, shooters may declare only one (1) category (i.e. Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran, or Senior Veteran) Note: Chair shooters are exempt from this rule.

1. A female shooter, who has not reached her 55th Birthday, may declare Lady I.
2. A female shooter, who had reached her 55th Birthday, may declare Lady II.
3. A shooter who has not reached his/her 15th Birthday, may declare Sub-Junior.
4. A shooter who is 15 but has not reached his/her 18th Birthday may declare as Junior.
5. A shooter who is 18 but has not reached his/her 23rd Birthday may declare as Junior Gold.
6. A shooter who is 55 but not reached his/her 65th Birthday may declare as a Sub-Veteran.
7. A shooter who is 65 but not reached his/her 70th Birthday may declare as a Veteran.
8. A shooter who is 70 years of age and older may declare as a Senior Veteran.
9. Age based categories are established on the Birthday of the shooter. For purposes of determining age category for HOA and HAA awards the category declared by the participant of the first day he/she shoots shall be used.
10. Shooters who become eligible for new age based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. (For example a shooter reaching age 70 may elect to continue to shoot as a Veteran for the remainder of the current target year.) However, once a shooter has elected to move to the new category that decision is irrevocable and he/she may not again declare eligibility for the previous category. Junior shooters reaching the age of 18 may continue to declare Junior category for the remainder of the current target year. Note: Age based special category shooters that are in contention for or desire to achieve All-American Team recognition should review the All-American Team policy in the ATA Rule Book. When there is no Sub-Junior trophy Sub-Juniors will be included in the Junior category. Senior Veterans will be included in the Veteran category when there is no Senior Veteran trophy.

PETS: Shooters are required to have their pets leashed at all times while on the grounds. It is also mandatory that you clean up after your pet. Owners will be held liable/responsible for their animals.

ATVs AND GOLF CARTS: Use of personal ATVs and golf carts is allowed. Owner must have liability insurance.

2023 HALL OF FAME INDUCTEES

Congratulations to Colorado State Trap Shooting Association's 2023 Hall of Fame Inductee.

Mike Herman

Mike started trap shooting in 1979 when his uncle, Dave Herman, asked him to go along to a trapshoot at Gillette Gun Club in Wyoming. Since he'd never shot trap before, he had to buy a "trap gun". His choice, an Ithaca Model 37 Featherweight pump shotgun. He didn't shoot a "Hall of Fame" caliber score, but the event hooked him for life or for at least the past 44 years or so.

It didn't take long and shotgun upgrades, reloaders, supplies and all the "stuff" a trap shooter needs started to accumulate. The crowd grew too. Mike's father, mother and sisters were all shooting in the 80s and beyond. This trend continues today. Mike's children, Shane, John and Nikki have all registered targets and are still shooting today. Mike's dad Richard and sister, Samantha Rainsdon, continue to be active as well.

Mike Herman

Eventually with a lot of practice, the scores started to rise; trophies added up and Mike made the Wyoming State Team in 1983. He finished his Wyoming in-state career with two State Singles Championships, two State Handicap Championships along with a pile of other trophies.

In 1986, Mike joined the US Air Force. After basic training and carrier field training, Mike ended up in San Antonio, TX where he had a tryout for the Air Force Shooting Team. This began his International Trap & Skeet career that lasted until his retirement in 2009. He made his first US National Team in 1993 and remained on the team through 2008. He was fortunate to travel all over the world with a shotgun. Whether it's losing baggage in Cyprus, winning his first World Medal, a bronze in double trap in Peru, or being arrested on a plane in London, Mike enjoyed every minute of his international career. He was fortunate enough to win a Gold, Silver & Bronze medals, was the alternate to the 2004 Olympic Team, made a Pan American Team, a World Championship Team and a Champion of Americas Team.

Mike took a hiatus from ATA shooting from 1987 through 1992 while learning how to shoot International Trap. When he came back, Dan Treat explained to him that not putting a shell in the gun was a "mulligan" or "Failure to Fire". My how things have changed. And don't ask Mike what he thinks of the "Failure to Fire" rule unless you have some time to hear the rant!

Over the years, Mike has won a Double Trap National Championship, World Cup Medals, State Championships and hundreds of other awards. He's made Colorado State Teams, has Colorado State Singles, State Doubles and HAA Championships to his credit.

One of his most memorable accomplishments in shooting was on May 27, 2007 at Pikes Peak Gun Club. He shot a perfect 300 and completed his Grand Slam on the same day. He's a current All American, has both the AA27AA and AAA27AAA ATA pins. He's been on the high average list a handful of times and was AAA27AAA in ATA and Master Class in sporting clays in the same year.

You can tell, he's spent a few days shooting. He also has been deeply involved in the club, state and national organizations for years. During his Colorado State President year, he was the President of Pikes Peak Gun club and the ATA Colorado Delegate. He was also blessed to be the 2020 ATA President. Or as he calls it, the COVID President. While taking tremendous pressure to cancel the 2020 ATA Shooting Year, he instead led an exceptional team that hosted the 2020 Grand American in Linn Greek, MO after the State of Illinois closed the World Recreation and Shooting Complex in Sparta, IL.

This is just the brief highlights of a long shooting career. However, the most important benefits of shotgun shooting are the relationships. He met shooters from all over the world and even participated with a team of shooters from Colorado in the 2018 World Down the Line Championships in WAGGA WAGGA NSW Australia.

He couldn't have done any of this without the unwavering support of his family. His wife Jaimie has stood by Mike through it all, never complaining about taking care of the kids and home while Mike was traveling for work and shooting. She took all the pressure off allowing Mike to focus on shooting sports. Without her, none of this would have been possible. Jaimie, Shane, John & Nikki, thank you for putting up with a trap shooter!!

Congratulations from the CSTA HOF
