Luck Of The Draw Entry Fee (16 Yard and Handicap Events): \$2. For 100 target events a number between 70 and 100 will be drawn. The shooter or shooters who have this number will win the “pot”, ties divide. If no one has the number drawn the pot carries over to the next shoot. At the final shoot of the season we will continue to draw numbers until there is a winner, no carryover.

Targets Only \$24 per 100. If a shooter does not wish to shoot for trophies; they can sign up for this rate. Shooters choosing this category may still play the options.

The practice trap will be open. The practice price is \$6.00 per round.
