HOSTED BY THE

WISCONSIN TRAPSHOOTING ASSOCIATION

AND HELD AT THE

**WTA SHOOTING COMPLEX
AND LEARNING CENTER**

1312 Akron Drive
Nekoosa, WI 54457
Phone Number 888-704-6588

PRESIDENT'S MESSAGE

The WTA board of directors, officers, and shoot volunteers join me in welcoming you and your families to the 2023 Wisconsin State Trapshooting Championship. This will be the 11th year for the state championship at our Homegrounds in the town of Rome and the 124th Wisconsin State Trapshooting Championship. We strive to make this a great place to shoot and hope you enjoy your stay.

Attendance was even from the previous year so we again stayed in the top 10 of the ATA mega-target award list for registered targets thrown and also maintained our All-American points competition factor of 6.

We will be open Monday for classification, squadding, practice, and a registered marathon shoot for those needing more targets. The competition shooting begins on Tuesday with the High Overall starting Wednesday.

The WTA Hall of Fame induction banquet will take place Wednesday evening at Lake Arrowhead in Nekoosa. Please buy or reserve your tickets in advance so we have a count for the venue. This year we will be celebrating the induction of Chad Blanke, Don Mainland and Jeff Mainland into our Hall of Fame. Thursday we will honor the All State team members and high average winners along with a Hot Dog feed sponsored by Bob Schultz of Target Shotguns. Friday we will be having the annual Pig Roast sponsored by Visit Rome and YZ's Body Shop. There will also be live and silent auctions in the main building.

We'd like to thank everyone for coming and especially thank the volunteers that help make this happen.

Ken Michels, WTA President

This certifies that the Wisconsin Trapshooting Association has been authorized to hold an ATA Registered Shoot at the WTA Shooting Complex and Learning Center in Rome, Wisconsin, July 11 thru July 16, 2023.
Lynn Gipson, Executive Director, ATA

The Directors of the Wisconsin Trapshooting Association reserve the right to change the program as conditions warrant and to reject any entry without explanation. The entire program is conducted by the WTA. In the event of trap breakdowns or other circumstances which could impede the progress of this shoot, the Directors of the WTA reserve the right to move squads to other than their starting locations to efficiently expedite the completion of events. In the event of a dispute over interpretation of this program, the decision of the Directors of the WTA shall govern.

WTA Zero Tolerance Policy—There will be zero tolerance of any shooter or observer interfering with the shoot by abusing any shooter, WTA Director, Officer, or employee in any way; unauthorized operation of equipment or partaking of alcoholic beverages prior to shooting, including shoot offs. This behavior will result in an immediate and automatic request to leave the grounds, disqualification of scores, and forfeiture of any entry fees paid. **This will be enforced!**

If you gain yardage you must check with Squadding to see if you need resquadding for the remaining handicap events.

ENTRY PROCEDURE - PLEASE READ

The grounds will be open at 1:00 PM on Monday, July 10 for classification, squadding, cashiering, exhibitor set-up and camper set-up, practice shooting and Marathon Monday. In order to expedite the shoot, please follow the entry procedure in the following order:

Memberships - Before you can make any entries, all shooters must be a current ATA member and Wisconsin residents must also be a WTA member. If you need an ATA or WTA membership or renewal, go directly to Classification to fill out the necessary forms and pay for your membership(s). For new or recently renewed members, you must present your paid receipt in order to be classified. The WTA \$10.00 annual membership must be paid and sticker on ATA card in order to classify. You are now required to have your plastic ATA card and paper averages for classifying, squadding, cashiering and the collection of event payoffs.

Classification - All shooters, whether pre-squadded or not, must start at classification. Present your plastic ATA card and ATA paper average card to a member of the Classification Committee at the classification table. Your paper average card must be presented and up to date or you will not be classified! They will enter your classification, yardage and any special category for which you declare into the computer system. If you do not have a plastic ATA card or ATA number, then the computer will assign a temporary Shooter Number. Otherwise your ATA Number is your Shooter Number. Do not misplace this number as it will be required for squadding and cashiering.

Squadding - If you have pre-squadded for this shoot at presquad.com beginning April 30 at noon, you may proceed directly to the cashier's counter. Otherwise, proceed to the squadding table and stand in the line for the event(s) that you wish to enter. Present your plastic ATA card or Shooter Number to the squadding personnel. They will enter your squadding information into the computer system. You will not receive any paper entry cards. Shooters must take an available position or squad that's open in the next available flight of squads. There is a limit of one full squad per shooter per event. The only exception will be for shooters that are handicapped. Any shooter or group of shooters found trying to circumvent these procedures by requesting multiple squads and/or positions will have their entries refused and could be subject to further disqualification from an event or from the entire tournament. To ensure your shooting times and positions, the use of presquad.com is recommended. **Please note:** The trapline is arranged into 14 banks of trapfields with 14 starting points. Bank A is at the East end and Bank N is at the West end of the trapline. Fifty targets will be shot per trap for all singles, handicap and doubles events. Charts showing the starting locations for squad numbers will be made available and posted about the grounds.

Cashiering - Present your plastic ATA card or Shooter Number to personnel at the cashier's counter. They will ask which purses and options that you wish to play. Please make this decision in advance, as no additions or withdrawals will be allowed for any event after you have cashiered. Checks will be accepted for the amount of shooting fees only. Make checks payable to the WTA. No two party checks or endorsements. A \$50.00 fee will be charged on all bad checks. There are no refunds unless an event is cancelled.

All pre-squad positions for all events each day will be held until 30 minutes prior to the first event of the day. After that time, presquadded positions not yet cashiered for that day will be cancelled and opened to all shooters.

Sub-Junior/Junior Entry: Shooters under 18 years of age are offered targets at a reduced rate of \$32.00 per 100 only if purses and/or options are not played. These Sub-Juniors/Juniors are still eligible for trophies and added money if their score so qualifies them.

THE CASHIER'S COUNTER WILL OPEN ONE HOUR PRIOR TO THE SHOOT START TIMES & CLOSE AT 4:00 PM DAILY.

FEES - Daily fees of ATA \$3.00 and WTA \$3.00 will be added to your first entry of each day. WTA Maintenance Fee of \$2.00 will be added on each event.

SQUAD HUSTLING

Check in with the squad hustler at your starting trap and sign in on your squad sheet at the starting trap scorer's bench. At each of the starting locations, the number of the squad that is actually shooting is posted on the scorer's bench. **We Do Not Call Squad Numbers On The PA System.** No shooter will be allowed to make up more than one sub-event on make up practice traps 17 or 18. If you are unable to join your squad before they have started their second sub-event, you must be resquadded and pay a \$20.00 resquadding fee. If you miss one sub-event, you must report to a WTA Director and make up the sub-event on a practice trap.

TARGET SETTING

Targets will be set each morning. Only authorized WTA personnel may reset targets. Any unauthorized person observed resetting targets may be disqualified from that event.

SHOOT OFFS

Shoot offs will begin immediately following the last event of each day and will be conducted according to ATA guidelines. All shooters should be ready to shoot at that time. Handicap shoot offs will be held on the day of the event or as published. Singles and Doubles ties will be carried over until the last respective event of the tournament. Contestants will be called over the PA to report for check-in, which is in the northwest corner of the entry building. Those shooters who have not reported by third call or are not promptly at their assigned field when called will be disqualified from the shoot offs. Shoot offs will be under the sole discretion of the Shoot Off Manager. All shoot off determinations and decisions will be made by the manager or his appointed staff and will be final.

Note: No Shooter may win more than one trophy per event, except the concurrent awards of Husband/Wife, Parent/Child, AIM Awards.

ATA RULE - SPECIAL CATEGORIES: All shooters that are declaring a special category should read and understand the rules for such declaration as outlined on pages 17 and 18 of the Official ATA Rule Book. Rule books can be downloaded on the ATA website at www.shootata.com. If you have any questions regarding these rules, please contact our ATA State Delegate, Kevin Doerring, or the ATA Office.

PRACTICE TRAPS

Practice will be available each day on traps 17 and 18. Tickets must be purchased in the Main Entry Building and are not refundable if not used. The cost is \$8.00 per 25 targets for singles or handicap and \$16.00 per 25 pair of targets for doubles. Make your entry at the practice traps. Practice times will be posted and announced each day.

ATTENDANCE PINS

Attendance pins will be issued to contestants at the classification table. Your average card will be punched or marked upon receipt of pin. Please, only one pin per shooter. If there are extras at the end of the shoot, they will be made available at that time. Past State Shoot pins are available at \$1.00 each.

100 & 200 PINS

Shooters breaking 100 or 200 straight targets without carryover will be awarded a 100 or 200 straight pin. Only one such pin will be awarded per individual at the State Shoot. Please report your squad and position number at classification.

“BUCKY BADGER” 100 & 200 AWARDS

Shooters breaking 100 or 200 straight targets for the first time during the Wisconsin State Trapshooting Championships in only the Singles, Doubles and Handicap Championship Events will receive a special “Bucky Badger” Award. This award is limited to one per lifetime. Please inquire at classification
