Special appreciation to all of you who go out of your way to help keep the grounds looking the way they do. It is unbelievable to see how little trash and "stuff" is left littering the grounds after a full weekend like this one. Thank you for your consideration !!!

*Mike & Diana Powell and Doug Sayles in the office, Betty DeHaven and the return of Melody and daughter Kim in the kitchen and James Fisher behind the grill, Jim DeHaven picking up target orders and reloading component & shell orders and Paul Fisher doing "whatever it takes" .. **THANKS** !! It would not be Fulton County Gun Club without all of you. You have truly created and kept alive something special here .. I am privileged to be a part of it !!*

One of my great enjoyments of being the owner/manager here at Fulton County is whenever I get to see one or more shooters each year winning for the first time or at least the first time in a long time. This year I was privileged to enjoy several cases like that. These shooters are always supporting the gun club(s), but are sometimes a target or two out of the running. To those of you in that category, if you were able to achieve this past weekend, I offer my CONGRATULATIONS and want you to know how much I enjoyed your smiles.

*To all the new shooters to the club .. **WELCOME** and **THANK YOU** .. some new faces and some seasoned ones returning after having been away .. it was good to meet and converse with you all. I consider it an honor that you choose to spend your time on the "Beautiful Banks of the Tippecanoe .."*

*I hope each and every shooter was able to enjoy the weekend, relax, and have a GREAT dinner on Saturday Night. If you missed it, you should make plans to NOT miss it next year. It has been a GREAT SEASON and if I don't see some of you until next season (**WHY** would you miss the Marathon on Oct 7th ??), THANKS for the support this year, have a SAFE and HEALTHY holiday season and we'll see you here, same place, next year !!*
