What a wild day, with lots of rain, and a few windows to shoot. Lots of shooters scratched, day before & during the shoot.

Those that stuck it out shot good. This was the 2nd consecutive month that Henry Bahr broke a 99, commendable in the rain. Dave Peace shot above his average in C class with a 96.

We had mass scratches by the time the handicap started. I commend the computer operator for keeping her cool. Once again Henry rose to the top with a 96 in tough conditions. He ran 80 targets before he missed, earning a 1/2 yard.

For the first time ever that I can recall, everyone bailed on the doubles, except for two shooters, but not enough to put on the event. Oddly enough, about an hour after everyone left, the weather turned brighter, very shootable.

The only money involved was the added money, \$44. We didn't even get enough Lewis shooters, so we had to refund them. The worst part is that so few shooters showed up that we decided to cancel our Stracks fried chicken order at 9 am, 80 pieces. Then shooters showed up, so we decided to have pizza. There were some that showed up just for the chicken. Sorry to disappoint him. We'll do chicken on a Saturday, soon. We did throw 2,200 targets.

Sadly, this was our last regular 100 target Sunday ATA shoot for the year, till April 2019.
