Too much of a good thing in the weather department is not a good thing. It was HOT & HOTTER. The heat kept many of our shooters at home.

Weather definitely took its toll on the shooters in the Singles. The heat took down our best shooters. The bright item is that our new shooter, Justin, is making his way up the ladder. We would also like to welcome a shooter new to ATA, Dennis Kitching. He shot a respectable 89 in the Singles.

Once again the heat strikes in the Handicap. But George Krach, who just got a 1 yard reduction, managed to break the high score for a 1/2 yard punch.

By the time Doubles rolled around, bodies were just worn out as it got even hotter. Bill Mager & Havey Schultz paced each other. I do believe that Bill's 96 was his highest doubles score, ever. Good job.

Total payouts amounted to \$350.50. We threw 4,700 targets.

Our next shoot will be August 5th.
