Once again we were lucky with great shooting weather. Tom Antczak had his usual 100 straight in the Singles, collecting the Mike Anderson \$100 Bounty. We had 3 almost 100 straights. Any one of them can run the Singles, but not this day. Jean "was" C Class for this shoot, but think again Jean going forward Chris & Deb Stueck had a good day, as well as Bruce & Linda Lovell. 85% if shooters shot 90 or better.

You all heard of the Babe Ruth story when he pointed to center field, then hit a home run? That was Tom Antczak before he shot his Handicap. Very close to that \$500 Bounty with that 98. Ever since Wayne took his reductions, he has been hot. He'll never make it to the 18 shooting like that. Again lots of scores in 90s

A dark horse lead the pack in the Doubles, Tim with his 94 overtaking favorite Tom Antczak. Good to see competition for Tom, keep him on his toes.

Even though Tom succumbed to Tim in the Doubles, he still persevered to take the High Over All.

Returning shooters who have not shot with us in a while: Ed Kliss & Wayne Wagner.

The Added Money, \$100 Bounty & Option payouts for this shoot totaled \$841.00. We threw 7,400 targets.
