List on a separate page shooters breaking their first 25, 50, 75, 100 or 200 straight in registered competition, any unusual yardage moves, weather, persons earning first trophies, and other newsworthy information. If you prefer to write a fuller report than this form allows, please type double-spaced on one side of sheet. We welcome group or individual photos of winners. Clear, sharp color photographs with a glossy finish are best. (No polaroids, please). Identify shooters from left to right. Color transparencies with good detail, composition and color are welcomed for cover consideration. Protect all photographs and slides with stiff corrugated paper before mailing. Do not wait for pictures to be processed before sending report. Enclose a note with report that pictures will follow. Shoot reports postmarked more than 15 days after last day of shoot cannot be used. Very prompt reporting is appreciated.
