The weather could not be better, except maybe a little less wind. Temperature was upper 60s and sunny.

Definitely excitement in the Singles. Nikols registered his first 100 straight. Doug Darby had his highest score of 98 to be overshadowed by Nikolas. Wayne dropped 1st target out and kept his cool for a 99. The father/son Schultzs' wer at it again, trying to best each other. 16 year old Angelina shot her 1st hundred program with an impressive 90.

Nikolas was determined today in the Handicap with a 95, same as Bill Mager for a 1/2 yard punch each.

Team Schultz was #1 & #2 in the Doubles, the son in the lead, again.

Total payout was \$724 including the \$100 Anderson Bounty to Nikolas Szymarek. We threw 8,100 targets.

Our next shoot will be June 3rd.
