*My appreciation to all of you who go out of your way to help keep the grounds looking the way they do. It is unbelievable to see how little trash and "stuff" is left littering the grounds after a full weekend like this one. Thank you for your consideration !!!*

*Speaking of the grounds, I would also like to offer another very special "**THANK YOU**" to Darrell & Mona Elsea. They have together done the majority of the mowing at the club this year and I appreciate it more than they can know .. THANKS GUYS !!*

*Mr. Steven Whistler .. **THANK YOU** for edging the walks, installation of the American Flags, hoisting the "WELCOME" banner on the driveway coming in, recycling & trash duty throughout the year and a whole bunch more stuff to make this a better place to shoot. THANK YOU !!*

*Mike & Diana Powell and Doug Sayles in the office, Betty DeHaven and Melody Sweaney and daughter Kim Meyers in the kitchen and Paul Fisher doing "whatever it takes" .. **THANKS** !! It would not be Fulton County Gun Club without all of you. You have truly created and kept alive something special here .. I am privileged to simply be a part of it !!*

*One of my great enjoyments of being the owner/manager here at Fulton County is whenever I get to see one or more shooters each year winning for the first time or at least the first time in a long time. This year I was privileged to enjoy several cases like that. To those of you in that category, if you were able to achieve this past weekend, I offer my CONGRATULATIONS and want you to know how much I enjoyed your smiles.*

*Special CONGRATULATIONS to Kenneth Heathcoate & George Rezabek for their 100 straights in the 1<sup>st</sup> 100 of the 16 Yard Event. The conditions were a little less than optimum and you guys dun gud !!*

*To all the new shooters to the club .. **WELCOME** and **THANK YOU** .. some new faces and some seasoned ones returning after having been away .. it was good to meet the new guys and converse with you all.*

*I hope each and every shooter was able to enjoy the weekend, relax, and have a GREAT dinner on Saturday Night. If you missed it, you should make plans to NOT miss it next year. As the cake said simply .. "THANK YOU".*
