RE: **ATA "Big 50 Program"**

Ladies and Gentlemen:

The ATA Executive Committee is proud to unveil the **"Big 50 Program"**. This has been instituted to encourage participation by league and casual shooters in registered shooting.

The program essentially waives ATA daily fees for the **"Big 50 Programs"** on Tuesday, Wednesday and Thursday nights. Three 50 target programs (singles, doubles and handicap) with no more than three 50 target events per night and no more than one of any one discipline may be registered. A copy of program rules/policy is attached for your review and information.

Please feel free to contact the ATA office if you have any questions or desire further information. All of us here at the ATA are hopeful that this program will be a long-term benefit to clubs, State Associations and the ATA.
