Dear Shooters,

Please join me at the 24th Annual Great Lakes Grand American at the Michigan Trapshooting Association Homegrounds in Mason Michigan. This year's event is scheduled for May 24th through the 30th.

If you have not had a chance to visit the spectacular grounds of the Michigan Trapshooting Association previously, you will certainly be provided with a pleasant surprise. The MTA shooting facility is known for its wonderful hospitality, combined with a great camping facility and vendors of all types to fill your needs. Additionally this shoot provides an excellent opportunity for a long vacation in conjunction with Memorial Day in the beautiful state of Michigan.

I hope that I will see you in Mason at the Great Lakes Grand starting on May 24th, 2011.

Good Luck to all shooters and best wishes for safe travel!

Regards,

A handwritten signature in cursive script that reads "Jeff Wagner".

## NOTES AND PROCEDURES

- 1) The cashier will accept no counter checks or second party checks. Checks will be accepted in the amount of shooting fees only- **NO EXCEPTIONS**. All entries must be made in U.S. Funds.
- 2) All entries are final. No additions or withdrawals permitted on purse and options.
- 3) Any Sub-Junior or Junior who enters any event by paying one-half price for target entry must enter on the same basis in all events, and is ineligible to participate in any purse or option for any event. No one-half price entry is allowed after any entry at full price. It is the competitor's duty and responsibility to make this declaration at the time you are classified, and failure to follow this policy strictly may result in disqualifications.

## SOLICITING

Soliciting, selling chances, taking entries for splatter board shoots or similar activities will **NOT** be allowed on the grounds. No literature of any kind may be distributed on the grounds without prior written approval by the ATA and MTA.

## SHELLS

A large supply of shells in standard loads will be for sale on the grounds at current prices.

## EMPTIES

If you wish to save your empties for reloading, please transfer them from your gun to your pocket or bag. Picking up hulls from the ground is a nuisance to other shooters and will not be tolerated **AT ANY TIME**.

## TARGETS

THE MTA WILL BE USING NEW YORK STYLE ORANGE DOME TARGETS IN THE 2011 TARGET YEAR

## RULES AND REGULATIONS

- 1) This is an invitational tournament and the Directors reserve the right to reject or refund any entry or disqualify any contestant who in their opinion interferes with the harmony of the shoot or violates ATA or MTA rules. It is the required duty of shoot management to immediately remove and disqualify any contestant who consumes alcoholic beverages while participating in any event or who is under the obvious influence of alcohol or drugs before starting any event. Or who handles a gun dangerously on or off the firing line by deliberately violating gun safety precautions thereby endangering contestants, spectators or MTA and ATA personnel.

- 2) If you win or tie in any singles or doubles event you will be advanced one class. Should you earn yardage in any handicap event, it is your responsibility to report to the classification desk and have your yardage increased. A shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin board.
- 3) Any shooter failing to carry out rule 2, or who shoots an incorrect class or from a yardage higher or lower than that assigned will be subject to disqualification and will not share in any money division or be eligible for trophies.
- 4) A shooter may not win more than one ATA or MTA trophy in the same event. If a score qualifies for more than one trophy, that shooter must inform the club office which trophy they desire to take or shoot-off for. Failure of the shooter to make proper notification within 15 minutes of that event's last scores being posted requires shoot management to determine the choice of trophy for that contestant. Shoot management will give priority to special category trophies over class trophies. This does not effect the right of all contestants from shooting for event champion and then falling back to class or category trophies.
- 5) It is the responsibility of lady, junior, sub-junior, veteran or senior veteran shooters to see that they are so indicated on the bulletin sheet so that they may be included in the competition. Report any omissions to the computer room immediately.
- 6) A junior is any shooter who is 15 but has not reached his or her 18th birthday. A sub-junior is any shooter who has not reached his or her 15th birthday. A veteran is 65 to 69 years old. A senior veteran is any shooter 70 years old or older. Age based special categories are established on the birthday of the shooter. For purposes of determining age category for HOA and HAA awards the category declared by the participant on the first day he/sheshoots shall be used.
- 7) The MTA or ATA will not be liable in any manner for any check lost, stolen, unclaimed, undelivered, or otherwise not received by the shooter. **NO ENTRIES REFUNDED UNLESS EVENT IS CANCELED.**

## CLASSIFICATION AND HANDICAPPING

- 1) Shooters who do not have a total of 1000 16 yard targets registered with the ATA in the current and previous year combined will be advanced at least one class or more at the discretion of the classification committee. Shooters without an established average shall be placed in class 'B' or higher at the discretion of the classification committee.
- 2) Shooters who do not have a total of 1,000 doubles targets registered with the ATA in the current and previous year combined will be advanced at least one class or more at the discretion of the classification committee. Shooters without an established average shall be placed in class 'B' or higher at the discretion of the classification committee.
- 3) Shooters who do not have a total of 1,000 handicap targets registered with the ATA in the current and previous year combined will be assigned penalty yardage or shoot their handicap card yardage whichever is greater. Yardage assignment for junior and adult males is 23 yards. Yardage assignment for lady, sub junior, veteran, and senior veteran shooters shall be 20 yards.
- 4) Classification will be in accordance with known ability. To arrive at known ability the following will be taken into account as far as such information is available:
  - \* Official averages - abnormally low scores will be disregarded.
  - \* Non-registered scores including shoot-off scores, non-registered events, practice scores, etc.
  - \* Any other information known on shooters' ability to shoot and break targets.
  - \* Shooters are required to have their 16-yard and doubles averages computed for use by the Classification Committee. **Please see page 12 for the six class break-down.**

## OPTIONS

- 1) Options are not compulsory. In case of ties not otherwise covered, the monies for the number of places will be added together and divided equally among those in the tie regardless of the outcome of any shoot-offs. Shoot-offs are for trophies, honor and place.
