TWO \$10,000 PURSES

B. COMPETITION PROCEDURE

During the 2011 Preliminary and Spring Satellite Grand Trap Shoots held at the Tucson Trap and Skeet Club in Tucson, Arizona, the Sponsor will select the number of shooters eligible to participate in the Championship Handicap Events #12 and #24 a \$10,000.00 purse based upon the number of shooters having entered and shot all of the handicap events required, (events # 2, #6, #8, and #12 for the Preliminary Week Championship Purse and events #16, #18, #22, and #24 for the Spring Grand Championship). Each contestant will have the opportunity to shoot a Trap Course of One Hundred (100) targets each, and score one hundred percent (100%) or otherwise called a perfect score. If a contestant successfully shoots a perfect score, then they are the grand prize winner. In case of multiple winners, ties will divide the \$10,000.00 purse.

Rules & Conditions:

1. The event is an AMATEUR TRAPSHOOTING ASSOCIATION (ATA) sanctioned event and held strictly under the rules and guidelines set out by the ATA.
2. Each Contestant must complete all rounds and break all One Hundred (100) targets within the frame of the contest. No "do-overs" or "mulligans" are allowed, except what is allowed under the ATA Rules. Contestants will get one (1) attempt only.
3. All rules defined by the Amateur Trapshooting Association (ATA) except where specifically excluded in this quote apply to this contest. Standard Trap Etiquette shall also be followed at all times.
4. All shooters will be assigned an ATA Handicap prior to being allowed in this competition, and must stand each station according to that handicap.
5. All shooters, including current or former All- American Class or any other top register classes of any recognized trap or skeet sport or association, as defined in the official program for the event and according to ATA Rules; must stand at the appropriate handicap distance to participate in the contest.
6. All current or former Olympic skeet or trap shooters are excluded to participate in the contest. To be eligible to participate in the \$10,000.00 Event #12 Preliminary Week Handicap Championship Purse, shooters must have shot all the prior Handicap events required (events #2, #6, and #8). To be eligible to participate in the \$10,000.00 Event #24 Spring Grand Handicap Championship Purse, shooters must have shot all the prior Handicap events required (events #16, #18, and #22).
7. Grand Prize Promotions will require independent witnesses on each and every trap field to witness and score each contestant participating in the contest. Such witnesses will be the Field Judges. The Field Judge can be referenced according to ATA official rules.
8. The contest will be held over three or more banks of traps and the targets will be set uniformly and strictly according to ATA Rules, by qualified personnel and checked as needed for compliance with those rules. The targets will be set at not less than the ATA minimum requirements as to height, angle, and distance. A contestant may not shoot the same set of traps on a course on the same day prior to the start of the competition.
9. The scoring of such event, as well the equipment used, course, and malfunctions will be governed by the procedures used in the ATA official rules.
10. The Sponsor must submit the official promotion rules to Grand Prize Promotions for review. All such promotion rules shall be in compliance with all Local, State and Federal Laws governing such Events, and shall be deemed invalid should such rules and regulations fail to be compliant.
11. Current or former employees, family members, agents, successors or assignees of the Sponsor or any promotional agency involved with this promotion shall be INELIGIBLE to participate.
12. The \$10,000 handicap purses are provided through a separate insurance policy paid for by the Sponsor, Tucson Trap & Skeet Club, as a service to the members and guests during the 2011 Preliminary and Satellite Spring Grand Handicap Championships. The rules and conditions for this purse are listed in the shoot program for these events. Tucson Trap and Skeet Club will make every effort to timely file a claim for shooters who qualify for such prize. Any disputes between the qualifying shooter(s) and that insurance company are not the responsibility of the host club, Tucson Trap and Skeet Club or any of their Officers and/or Directors or the Sponsors.

ADVANCE RESERVED SQUADDING AND PRE CASHIERING

Pre-squadding will be available on the website at presquad.com beginning November 30, 2011. Pre-squadding reservations will not be accepted after Saturday, February 12 and pre-cashiering must be in the Club's hands by closing Monday, February 14. There will be a \$2.00 pre-squadding charge per event per person.

If only one address is supplied, it is the addressee's responsibility to distribute the forms to the other squad members. Please note that pre-cashiering does not preclude you from bypassing the classification table prior to shooting.

3. To pre-cashier your reserved entry or your first day's events, return the form with payment for the events noted on the pre-cashier form **plus daily fees**. If you elect to enter options, please clearly mark those desired and add the amounts. Your pre-cashiered entry will be rejected if payment is insufficient. At the club's option, overpayments will be refunded at the tournament or mailed to the address on the request form.

4. Refund Policy: Target and option money will be refundable until February 15, 2011 at which time it will become non-refundable. Pre-squadding fees are non-refundable.

5. After you have been classified, squaded, and cashiered, you may pick up your receipt. The receipt will have your classification printed. Please check to see that it is correct. All pre-tournament cashiered entries are considered as your initial entry. Your entry is only valid if you have been classified. Subsequent changes to squads, positions and withdrawals are subject to the assigned fees per the program. All such changes will be processed only during regular hours at the tournament. The club reserves the right to cancel or reject, without refund, any or all multiple requests for reservations.

Any reservation not cashiered by 3:00 PM the day prior to the event will be canceled and open to all shooters. 4. The cashiers will accept no counter checks or second party checks. Checks are accepted in the amount of shooting fees only - No Exceptions. All entries must be made in U.S. funds.
5. No shooter will be allowed to make up more than 50 targets on the practice traps if he/she has missed the squad. If you are unable to join your squad before they have started their second fifty, you must be re-squadded. All make-ups for missed squads or gun repairs report to the practice trap area within 30 minutes of when the last squad takes the line for that event.
6. By entering the competition every person agrees to accept all official decisions and to abide by ATA rules.
7. Be ready to shoot. Squads will not wait for tardy members. If you miss your squad, report to the office and be re-squadded on a later squad. If no squad is available, a shooter forfeits all entry and option money.
8. In case of a gun breakdown, a shooter will be allowed five (5) minutes for repair or replacement.
9. Please check your score before leaving each post. The squad captain (#1 shooter) will total the score after each 25/50-target sub event and initial the score sheet before leaving the trap. Errors made in totaling shall be corrected whenever discovered. All changes will be made in strict accordance with ATA rules.
10. All information needed to award trophies, award monies, and file ATA shoot reports is taken from the score sheets, so be sure all information is correct.
11. The use of transportation vehicles, such as golf carts and motorbikes, with the exception of wheelchairs, or other means of transportation for truly handicapped persons, will not be permitted on the sidewalks or immediate area at any time for any purpose. The sole exception to this rule will be utilization of golf carts by shoot management. Shoot management will minimize the use of golf carts whenever possible and ensure the use of above vehicles is enforced.
