Entry fee of \$26 per team member includes \$2 ATA fee & \$2 TSTA fee.

PAT LEA AWARD

Tommy and Pat Lea were married 44 years. They had a desire to use the Lea Real Estate, LLC property for the betterment of young people. Unfortunately, Pat did not live to see the wonderful time trapshooting children and teens are having at the facility. P & T Shooting exists solely for the purpose of helping young people. Currently, two local school teams use the facility for practice and in an effort to keep fees low for them, monthly ATA shoots and Big 50s are held.

P & T will host three AIM shoots this year (May 29, July 31, October 30). Schools that participate in all three events, will qualify to receive the Pat Lea Award. At each event, the high squad from each school will qualify their school for the award. The school with the highest score from all three shoots will receive the award October 30.
